

Navigate the Winter Landscape with Confidence in Orion Overshoes

Orion™ combines a sturdy nylon upper with a lightweight polyurethane midsole and a durable TPR outsole to create an anti-fatigue overshoe with heavy-duty performance.

- 840 denier nylon with polyurethane coating is waterproof and durable.
- Roomy interior design to accommodate oversized work boots.
- Extra wide gusset for easy donning and doffing.
- Hook & loop closure allows customizable fit.
- Adjustable instep strap with quick-release buckle for ease of use while wearing gloves.
- Deep lug, cleated outsole provides sure-footed traction in wintry conditions.
- Polypropylene foam liner provides cushioning and insulation.
- 14" standard height with a 6" roll-a-way gaiter expands coverage to 20".
- Reflective accents on all sides offer enhanced visibility in low light conditions.
- Lightweight, anti-fatigue design for all day comfort.

Superior protection against winter's harsh elements.

The Orion outsole is designed for stability and grip. The thermoplastic rubber (TPR) stays flexible in cold temperatures, and perimeter cleats provide sure-footed stability. Deep lug, self-cleaning treads have a variety of angles and surfaces for traction in snow and slush.

Ideal Applications: Parcel Delivery, Utilities, Construction, Commuting, Public Works, and Winter Work Outdoors.
