

# TINGLEY

## DURABILITY. COMFORT. VALUE.

Introducing the Pulsar PVC boot

### 100% LIQUID PROOF

INJECTION MOLDED SEAMLESS CONSTRUCTION  
PROVIDES 100% LIQUID PROOF PROTECTION.

### ABRASION & SLIP RESISTANT

Performance Chevron-Plus®  
patterned outsole is slip  
resistant on both  
wet-contaminated and  
wet-clean surfaces and  
also abrasion resistant.

### FLEXIBLE & DURABLE

The unique PVC blended upper  
stays supple for comfort and  
provides chemical resistance  
for fats, oils, acids, alkalis  
and more.

### CONTOUR INSOLE

Cushioned removable  
polyurethane insole  
wicks away moisture  
and absorbs shock.

### VERSATILE

Pulsar boots are ideal for  
many applications, including  
agriculture, farm and barn,  
poultry husbandry and  
processing, municipal and  
light industrial uses.
