

TINGLEY Weather Fashions®

Protect your dress shoes with style

Tingley's 100% waterproof overshoes protect your shoes from rain, snow and salt damage. Fashionable and designed for extra traction on slippery surfaces, our complete line of Weather Fashions Rubber Overshoes fits over virtually every shoe style and size. Made to last, our products are backed by over 115 years of Tingley Rubber quality and performance.

- Prevents damage from rain, mud, snow and salt
- 100% waterproof protection
- High stretch natural rubber for easy on and off
- Exceptional fit and comfort
- Lightweight, yet tough and durable
- Tear resistant
- Designed for extra traction on slippery surfaces

Moccasin

Real looking moccasins have traditional tongue styling for full coverage and protection of shoe.

Style 1900

Commuter

Low cut design does not hide shoe yet protects in puddles, light rain and day after snow fall.

Style 1000

Storm

Traditional styling including tongue for full coverage of shoe. Best protection in stormiest of weather.

Style 1200

Executive

Sturdy zipper boot keeps wet snow out and high enough to keep dry pants in.

Style 3800

Trim

Perfect fit over any style shoe. Comfortable, yet protects entire shoe in rain or snow.

Style 1800
