

# ICON™ Be Seen... Be Safe... Be Flexible...

## Adaptable, Insulating, Wind Resistant, Enhanced Visibility Outerwear

The CSA Z96 Class 1 compliant black fleece or quilted jacket can be worn year round for all season comfort. Intended for use as standalone work jackets, these black insulating jackets can also be zipped in and out of the Icon™ Jackets, styles J24122C and J24129C.

- CSA Z96 Class 1 Level 2 compliant for high visibility.
- Two-tone 2" silver reflective tape reflects light for 360° nighttime conspicuity.
- 180 gram black insulating quilted jacket, J77023C, provides warmth and comfort.
- Insulating 300 gram black fleece, J72023C, provides warmth and comfort.
- Two exterior pockets for added convenience.

**Ideal Applications:** For use in environments where high visibility and warmth are desired for wearer safety and comfort.

Components of the interchangeable Icon system for adaptable all season protection.
