

# PHASE 3™

# Innovative Protection

## The Phase 3™ Soft Shell – Premium, Breathable, Water Resistant, Windproof, High Visibility Outerwear

A revolutionary 3 layer material that keeps you warm and dry, yet cool and comfortable for 3 season protection. Offers amazing warmth-to-weight ratio in a breathable, wind and water resistant system.

- Inner fleece layer provides warmth and comfort.
- CSA Z96 Class 2 Level 2 compliant jacket for high visibility and breathability.
- Breathable to ASTM E96.
- Fluorescent background colors for excellent daytime visibility.
- 2" two-tone silver reflective tape reflects light for 360° nighttime conspicuity.

Athletic apparel design and performance adapted for work environments.

Multi-Layer Protection In A Single Layer

**Ideal Applications:** For use in environments where high visibility and warmth are desired for wearer safety and comfort.
