Financial Services Guide

Version V1.0

PURPOSE OF THIS FINANCIAL SERVICES GUIDE

This Financial Services Guide (“FSG”) is prepared by EML Payment Solutions Limited ABN 30 131 436 532 (“EML”).

The Financial Services Guide is issued by Pay & Reward Pty Ltd ABN 43 619 304 979 (“RewardCo”, “Representative” or “We”), an Authorised representative of EML, Authorised Representative number 001260300.

Under its Australian Financial Services Licence, EML is authorised to provide financial services including arranging for the issue of non-cash payment facilities, such as **frank green Pay** using the Next Generation SmartCup and/or Next Generation SmartBottle (“frank green Pay”).

This FSG is an important document which provides information about the financial services offered by RewardCo and the authorised distributors of the frank green Next Generation SmartCup and/or Next Generation SmartBottle.

Next Generation SmartCup and/or Next Generation SmartBottle

The frank green Next Generation SmartCup and/or Next Generation SmartBottle (“Smart Product”) are in, and of themselves, either a cup or bottle, and have no payment capability. The purchase of the Smart Products does not represent the provision, delivery of arranging of a financial service.

The act of arranging the issue of the financial services including the issue of non-cash payment facilities described in this FSG from Reward Co to you, only occurs after you have downloaded, and successfully installed the frank green Pay application on your electronic device, accepted the terms and conditions of the App and the PDS, and associated the Smart Product to the app. At this point your Smart Product has become a payment instrument.

What kinds of financial products and services can RewardCo provide?

RewardCo is authorised by EML to provide general financial product advice to retail and wholesale clients in relation to payment products limited to non-cash payment products.

frank green Pay is a facility for making non-cash payments (a reloadable prepaid visa product) issued by Heritage Bank Limited ABN 32 087 652 024, AFSL 240984.

This means that RewardCo can:

- Arrange for the issue of **frank green Pay** by Heritage Bank Limited
- Provide general financial product advice in relation to the **frank green Pay**
- Publish or issue certain promotional material in relation to the **frank green Pay**.

RewardCo and its associated companies are not authorised to provide (and EML itself does not provide) personal advice about financial products. Personal advice is advice when your objectives, financial situation or needs have been or would be expected to be considered. This means that RewardCo will not take your objectives, financial situation or needs into account whenever it gives general advice (in publishing or issuing promotional material) about **frank green Pay**.

It is therefore your responsibility to decide for yourself whether any general financial advice given by RewardCo in its promotional material is suitable for you, or to obtain personal advice from a suitably authorised Australian financial adviser.

RewardCo can only provide general advice with respect to non-cash payment products and this is further limited to **frank green Pay**. RewardCo cannot advise you on, or influence you in favour of any other product because they are not authorised to do so.

Please be aware that EML shall not be responsible where RewardCo provides any services to you which are outside of their authorisation limits. You should therefore ask RewardCo to specifically confirm that the service or product relates to non-cash payment products, prior to acting on any general advice.

EML or RewardCo will also provide you with, or explain how to access, a Product Disclosure Statement ("PDS") for **frank green Pay**. The PDS contains information about the costs, benefits, risks and other features of **frank green Pay**. You should read this information to enable you to make an informed decision prior to acquiring **frank green Pay**.

Disclosure of any relevant conflicts of interest

EML and RewardCo are not related entities. RewardCo does not have any relationships or associations that might influence them in providing you with its services.

How are we paid for the services we provide?

RewardCo directors and staff are remunerated by salary that includes superannuation benefits.

For its role in arranging the issue of **frank green Pay**, EML receives interest income from Heritage Bank Limited (an Authorised Deposit Taking Institution) on the total value of funds held in Heritage Bank's accounts in relation to the **frank green Pay**. This interest income does not result in any additional cost to card holders.

Fees and charges payable to EML or RewardCo in association with the frank green Pay

EML and RewardCo share the fees and charges in equal amounts (50/50) as they relate to frank green Pay.

The applicable fees levied to you as a user are 3% of the value of the funds loaded, at the time of the load. Visa provides issuers of a Visa reloadable prepaid facility a small percentage of the value of the payment transaction, whenever a payment transaction is completed, which is levied upon the merchant.

Further information, including details of other fees, is contained in the PDS for frank green Pay.

Our record keeping obligations

EML will seek to ensure that comprehensive and accurate records of all services and products and client dealings are properly maintained.
