Referral Fees

To be eligible to earn a referral fee, the customer must click-through a link from your site, email, or other communications to the Planet Green Recycle website and purchase within 90 days of the initial click-through. If they fail to purchase within those 90 days from following your link, you will not earn a referral fee.

We will only pay referral fees on links that are automatically tracked and reported by our systems. For our systems to track the referral, the visitor must have cookies enabled. We will not pay referral fees if someone says they signed up through you, but it was not tracked by our system.

The affiliate fee is 10% of total purchase from customers that you refer. This excludes taxes and shipping. Referral fees are only earned if a customer makes a payment in full on products.

Payment

Accrued referral fees are paid via Paypal roughly once per month. You must have a valid Fundraising Program with Planet Green Recycle and a Paypal account to receive referral fees and payment.

Customer payment refunded or payments charged-back due to credit card fraud do not qualify for referral fees. We may deduct future referral payments from any fees paid prior to a customer refund. We may delay crediting of referral fees subject to risk analysis considerations and Anti-Money Laundering procedures.

The referral fee structure is subject to change at our discretion.

We reserve the right to disqualify referral fees earned through fraudulent, illegal, or overly aggressive, questionable sales or marketing methods.

All fees are exclusive of all taxes, charges, levies, assessments and other fees of any kind imposed on your involvement in this Agreement and shall be the responsibility of, and payable by you.

We reserve the right to check and change referral fees on the basis of orders actually paid, any notification e-mail is not understood as a confirmed commission - but serves only as a notification, and every payment will be verified based on real transactions.
