# BowDangles + Pawbles

Who says dog walks can't be festive?  
Or that baubles are only for Christmas trees?

BowDangles and Pawbles give you the ability to express your dog's unique personality, whatever the occasion. On the cold and crisp Monday morning walk, a trip to a festive party or just lazing around by the fire with the family.

Our range is not only about being fun and festive. We designed each item to be comfortable and safe for the dogs wearing them. And, unlike traditional bow ties or bandanas, there is no need to worry about your dog spoiling them or getting them dirty; BowDangles and Pawbles withstand muddy playtimes!
