MiracleCorp Hires New Director of Nutrition

(Dayton, OH) – MiracleCorp, leading consumer company for premium pet products, is excited to announce the addition of Dr. Ding Wang to their staff as Director of Nutrition. His responsibilities will include research and development of pet food products, management of corporate nutritional documentation, evaluating food analytics and conducting nutritional studies.

“Dr. Wang will be a great addition to our staff, and we are excited to bring him on-board,” said Patricia Weimer, Chief Operating Officer of MiracleCorp. “His expertise will provide the Stewart brand with the knowledge to produce better products to help pets thrive.”

Prior to joining MiracleCorp, Dr. Wang was a Technical Manager and Director for Beijing VICA Bio. Tech. Ltd. His responsibilities included leading the swine technical team, developing the annual research plan for research and development and developing over 40 product trainings to the sales team and key customers.

Dr. Wang obtained his bachelor’s in agriculture with a focus in animal science and master’s in agriculture with a focus in animal nutrition and feed science from the China Agriculture University. He continued his education at the University of Kentucky, Lexington and obtained his doctorate in philosophy with a focus in monogastric animal nutrition. He’s also a member of the American Society of Animal Science.
