A woman with long brown hair is shown from the chest up, holding a large, white, textured linen pillow against her chest. She is wearing a dark top and has a tattoo on her left forearm. She is also wearing several gold bracelets on her left wrist and a ring on her left hand. The background is a window with a view of trees outside, and the lighting is soft and natural.

Introducing Civil Alchemy linen bedding.
\$22-\$199

Our bedding is 100% linen and hand-crafted in Lithuania.

Linen is three times as strong as cotton. As it ages and softens, the quality increases. It keeps away bacteria, micro flora, and fungi. It can absorb 20% of its weight in moisture, which means you will stay cool through the night.

Fresh flowers offered daily.
