

RoHS Compliance

This is to certify that CE-marked products manufactured by İnofab Sağlık Teknolojileri A.Ş. are in compliance with Directive 2011/65/EU of the European Parliament and of the Council of 8 June 2011 on the restriction of the use of certain hazardous substances in electrical and electronic equipment.

RoHS COMPLIANT means that the substances restricted by the EU Directives (Directive 2002/95/EC and Directive 2011/65/EU) and subsequent amendments of the European Parliament are not contained in a finished product above threshold limits unless the restrictive substance is subject of an exemption contained in the RoHS Directive. This certificate of compliance and its accuracy are made solely on the certification/declaration documents of non-use of these substances provided by our assembly subcontractors at the time this certification of compliance letter was generated.
