

# Sizing Charts

**That perfect fit, every time.**

Having jewelry that fits is key, for a look that suits you on every level. We've created a sizing guide you can print out for your best fit no matter the style.

## Rings

---

Place a ring that fits you on the circles below. Make sure that the black circle is visible within the inner loop of your ring.

That will be your ring size. To double-check, place your ring on the next larger size and you should not see the entire black circle. If you are between sizes you, we recommend sizing down to the nearest full size.

## Bracelets

---

Place a bracelet that fits you on the circles below. Make sure that the black circle is visible within your bracelet.

That will be your bracelet size. To double-check, place your bracelet on the next larger size and you should not see the entire black circle. If you are between sizes you, we recommend sizing up to the nearest full size.
