Filament LED Performance Series

- Title 20 & Title 24 JA8-2019 Certified
- Omni Directional Light Distribution
- Traditional Glass Shape that Mimics Traditional Incandescent Lamps
- High Current Flucuation Tolerance
- Dimmable
- 3 Year Warranty

Specifications

Description

Halco's third generation decorative filament LEDs bring back the look and feel of traditional incandescent lamps while providing the latest in LED performance technology. These lamps boast a 90+ color rendering index (CRI) rating which allows colors to appear more natural and truer to life than traditional lower CRI LEDs. In addition, these lamps are California Title 20 and Title 24-JA8 compliant to ensure they can be used in any geographic location. Halco's third generation filament lamp series can meet the needs of any general purpose application whiling providing the performance, appearance, and construction that is second to none.

Performance

- 88+ lumens per watt
- 90+ CRI
- 15,000 hour rated life
- 3 year warranty

Construction

- Full glass design
- Filament style LED

Certifications

- Title 20
- Title 24
- UL Listed
- Energy Star
- FCC
- RoHS

Applications

- General purpose lighting applications
- Decorative lighting applications
