

### Perket PATRINGS

The perfect pairing of wine and cheese can make the difference between bland and bold. Lighting is no different. Why settle for boring bulbs in your gorgeous fixtures when you can have the perfect pairing?

Five key trends are highlighted with a focus on pairing our favorite lighting fixtures with the perfect Bulbrite bulb.

Enjoy our first edition of Perfect Pairings, a new perspective on light bulbs and lighting trends.

# Inspired by

### LED Milky Globes

are inspired by the wispy feathery cirrus clouds on a warm summer day.

LED 2" Globe Milky (G16)

Crystorama Broche sconce with Bulbrite LED 2" Globe Milky (G16)

Crystorama Jace pendant with Bulbrite LED 3.125" Globe Milky (G25)

Hubbardton Forge Frame Sconce with Bulbrite LED 2.375" Classic Curved Filament (A19)

### LED Curved Filaments

The perfect compliment for fixtures with organic shapes and materials, our LED Curved filaments emulate shapes found in nature, whether on land or sea.

LED 2.375" Classic (A19)

LED 2.25" Edison (ST18)

LED 3.125" Globe (G25)

LED 4.25" Tubular (T14)

BULBRITE

### LED Glam Bulbs

Glam gold tone fixtures deserve an equally glam bulb. Why not try a unique shape or finish to keep everything golden?

LED 3.4" Tubular Long Milky (T6)

LED 3.4" Tubular Long Amber (T6)

LED 3.75" Tubular Long Slanted Clear (T6)

Clear

LED 7.5" Tubular Long Clear

### PAIRINGS
