Paul Hogan, host of W Network's *Groomed*, says that though you may be keen to forget all about cold weather nowadays, you should still "spend a bit of time cleaning your winter shoes and snow boots as it will prolong their life. I'm talking a proper spit and polish job here." METRO TORONTO NEWS SERVICES

On May 31st, we'll all be able to breathe a little easier

Smoking is the No. 1 preventable cause of death in Ontario today.

The Smoke-Free Ontario Act, which comes into force on May 31st, is part of a broad effort to improve public health by reducing Ontarians' exposure to and use of tobacco products.

The legislation bans smoking in all enclosed workplaces and enclosed public places to protect workers from second-hand smoke.

The legislation also strengthens laws on tobacco sales to minors and restricts the display of tobacco products in retail outlets.

If you smoke, now is a good time to consider quitting. For help and a plan to quit, call Smokers' Helpline at 1-877-513-5333.

Or visit www.smokershelpline.ca for tips, tools and support.

For more information on the Smoke Free Ontario Act, contact your Public Health Unit or call 1-866-396-1760. TTY: 1-800-387-5559.
