# FALL'S THREE HOTTEST SHOE TRENDS

Bye-bye sandals. Fall is here, so it's time to cover those toes. But fret not, this season brings with it three of the classiest looks — loafers, ankle boots and block heels. We asked Jeanne Beker to pick her favourite pairs of each.

## LOAFERS

### ▼ NOTABLE NAVY

*Daids, 66 Bloor St. W., \$1,000.* "Nicholas Kirkwood makes a beautiful shoe, from the pointy toe to the gorgeous heel with the black pearl detailing. Really elegant."

### ▼ SILVER SENSATION

*Sporting Life, 2665 Yonge St., \$820.* "Ferragamo just makes the best quality, and I love the fact that the buckle can be reversed for a gold effect."

### ▼ LEOPARD LOVE

*Gravitypop, 1010 Queen St. W., \$150.* "This is almost a cross between a ballet flat and a loafer. This is the real deal pony hair, and they're lined with leather."

### ▼ VELVET LUXE

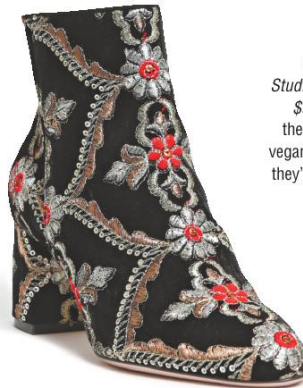

*Specchio, 1240 Bay St., \$695.* "These are so cosy! This is shearing, I believe, on top. It says relaxation in a very posh, ultra luxe way."

## ANKLE BOOTS

### ◀ RETRO VIBES ▶

*Aldo, Promenade mall, \$140.* "It reminds me of a cross between a go-go boot and a Beatle boot, so very '60s."

### ◀ SHOWSTOPPER

*Studio D, 2570 Yonge St., \$995.* "I'm in love with these. They're velvet (so vegan-friendly) boots, and they're artful and artistic."

### ◀ SIDE STRIPES ▶

*Zvelle, zvelle.com, \$505.* "They're sleek and timeless: a classic dressy suede boot with this graphic detailing up the sides."

### ◀ WILD WILD WEST

*Ron White, Bayview Village, \$395.* "It has beautiful embroidery and interesting openings on the side and it will be featured on TSC this month."

## BLOCK HEELS

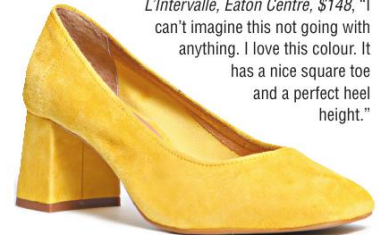

### ▼ SPACE AGE

*Specchio, 1240 Bay St., \$595.* "You could dance your way through a David Bowie video in these. There's something futuristic about them."

### ▼ MUSTARD MUSE

*L'Intervalle, Eaton Centre, \$148.* "I can't imagine this not going with anything. I love this colour. It has a nice square toe and a perfect heel height."

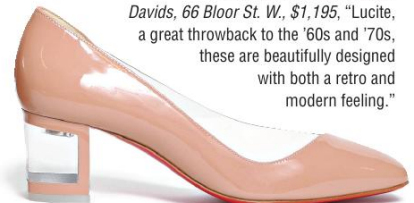

### ▼ STATEMENT SHOE

*Specchio, 1240 Bay St., \$795.* "These Dries Van Noten shoes are to die for, from the beautiful fabric to the shape of the heel."

### ▼ PATENT PERFECTION

*Daids, 66 Bloor St. W., \$1,195.* "Lucite, a great throwback to the '60s and '70s, these are beautifully designed with both a retro and modern feeling."
