Costuming for directors' night out

Foot note

Carla Collins, host of tonight's *SnowBall 2007 Hollywood and Beyond* gala in aid of Casey House, will be kicking up her heels in a pair of shoes that have been **Oprah**-approved, recently featured on her show.

Collins will be wearing a pair of All Day Heels from **Ron White** (the Foot Shoppe) that are glam without the pain to go with her "slit up to Cleveland" **Joeffer Caoc** black jersey gown.

"It's Hollywood — very **Rita Hayworth**," says Collins.

The ball is being held at the Arcadian Court. After-party tickets, good for the silent auction, cocktails and the dessert bar, are still available for \$75. Call 416-962-4040, ext. 231
