### **Bracelet Activation Prayer**

I hereby activate and dedicate this crystal bracelet to be my magical tool for healing.

I believe and fully trust in the energy and open my heart to receive it's blessings every day.

From this day on I choose to release what doesn't serve me to make space for new beginnings.

I surrender my desires and trust in the divine timing of the universe.

This bracelet is now a part of me and my guide to ultimate fulfillment.

Thank you.
