EXPRESS LIMITED WARRANTY FOR SAFARILAND® BALLISTIC RESISTANT EQUIPMENT

Subject to the limitations set forth herein, Safariland, LLC (the “Company”) warrants its Ballistic Resistant Equipment (“Equipment”) as follows:

WORKMANSHIP - Equipment, including but not limited to shields, helmets, face shields, shin guards, blankets and non-certified armor plates, is warranted to be free from defects in material and workmanship for a period of twelve (12) months from date of purchase.

BALLISTIC PERFORMANCE - Equipment has been tested for ballistic performance at an NIJ-accredited laboratory. For a period of sixty (60) months from the date of purchase, Equipment is warranted for ballistic performance in accordance with the applicable testing protocol, which may include NIJ STD-0106.01 (Ballistic Helmets), NIJ STD-0108.01 (Resistant Materials) and/or Safariland’s independent testing protocol for non-certified products, as against the threat level designated on the Equipment’s label. Equipment shall be tested without conditioning and will be deemed satisfactory so long as there are no perforations. Equipment should not be used after the expiration of this warranty period (i.e., “useful life” period).

This is a LIMITED WARRANTY and is the sole and exclusive warranty for the SAFARILAND® PROTECH® Tactical Equipment. It shall not be enlarged by any representation, description, course of dealing, trade usage, or otherwise.

This warranty does not apply if the Company’s examination determines that the Equipment has been subjected to misuse, abuse, accident, neglect, alteration, breakage, damage, improper storage or handling, or unauthorized repair or service. Further, this warranty is subject to the proper use and care of the Equipment, which includes, but not limited to, avoidance of the following:

- Exposure to chemicals and/or solvents other than approved cleaning agents
- Storage in direct sunlight for prolonged periods of time
- Storage in damp areas
- Damage through misuse or mishandling
