

## The ABCs of Fall Protection *Training Packages*

*Train All of Your Employees Online for One Low Cost*

**Bonus training included with each employee account:**

- Intro to hand protection -
- Intro to chemical-resistant gloves -
- Intro to confined space -
- Hearing conservation program fundamentals -
- Miller QuickPick & Saf-T-Climb fundamentals -
- Safety standdown fall protection fundamentals -

This 60-min. course is perfect for new hires or seasoned employees who require annual or bi-annual training as part of company policy or mandatory certification for on-the-job training. It's also a great program for annual safety talks like the OSHA Safety Stand Down.
