

## 08025 Honda CRF1000L Africa Twin **ADVENTURE SPORTS** Wind Deflector Fitting Instructions

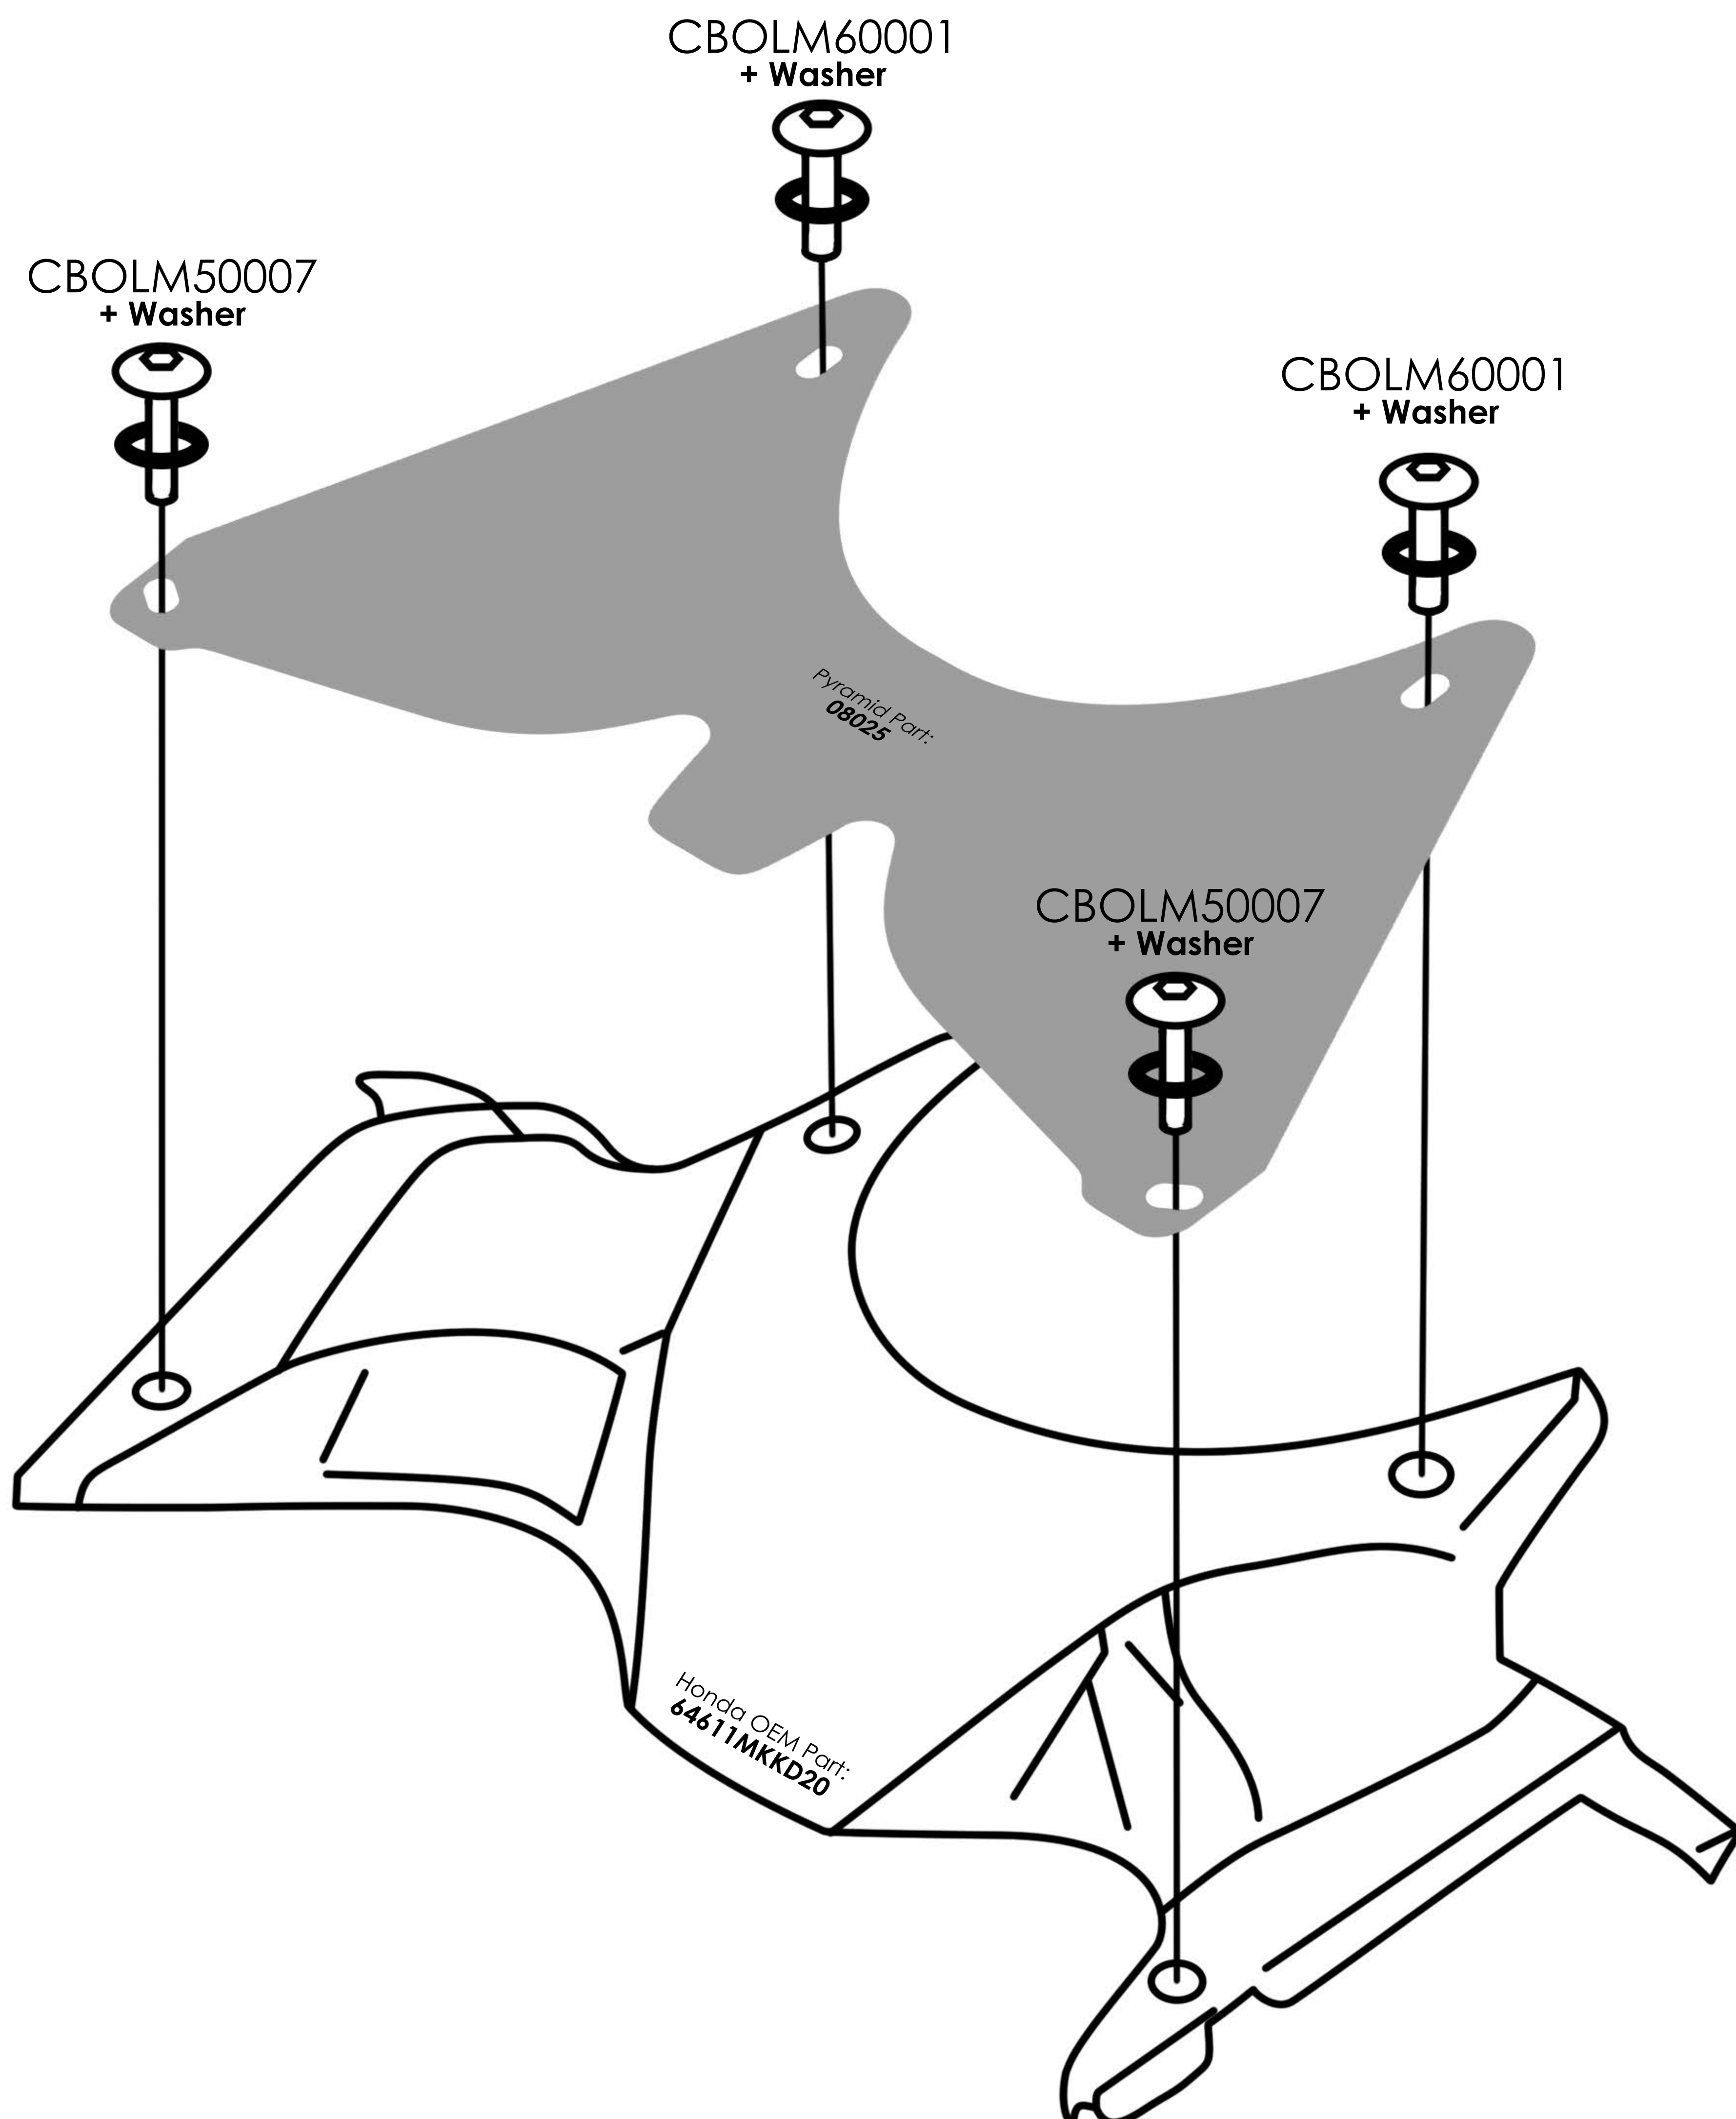

### Kit Includes:

2X M5 X 16 <sub>mm</sub> Black Bolt	CBOLM50007
2X M6 X 16 <sub>mm</sub> Black Bolt	CBOLM60001

- Remove the OEM bolts from the places shown below (see diagram).  
Re-fit using the same mounting points with the fittings provided.

Please note: the part will flex slightly when fully tightend at the forward mounting points - this isn't an issue and will not damaged the product.

**Disclaimer:** This material is not petrol resistant and will discolour if petrol comes into contact with the product.
