

089102 Honda CB300R & CB125R Frame End Caps Fitting Instructions

Kit Includes:

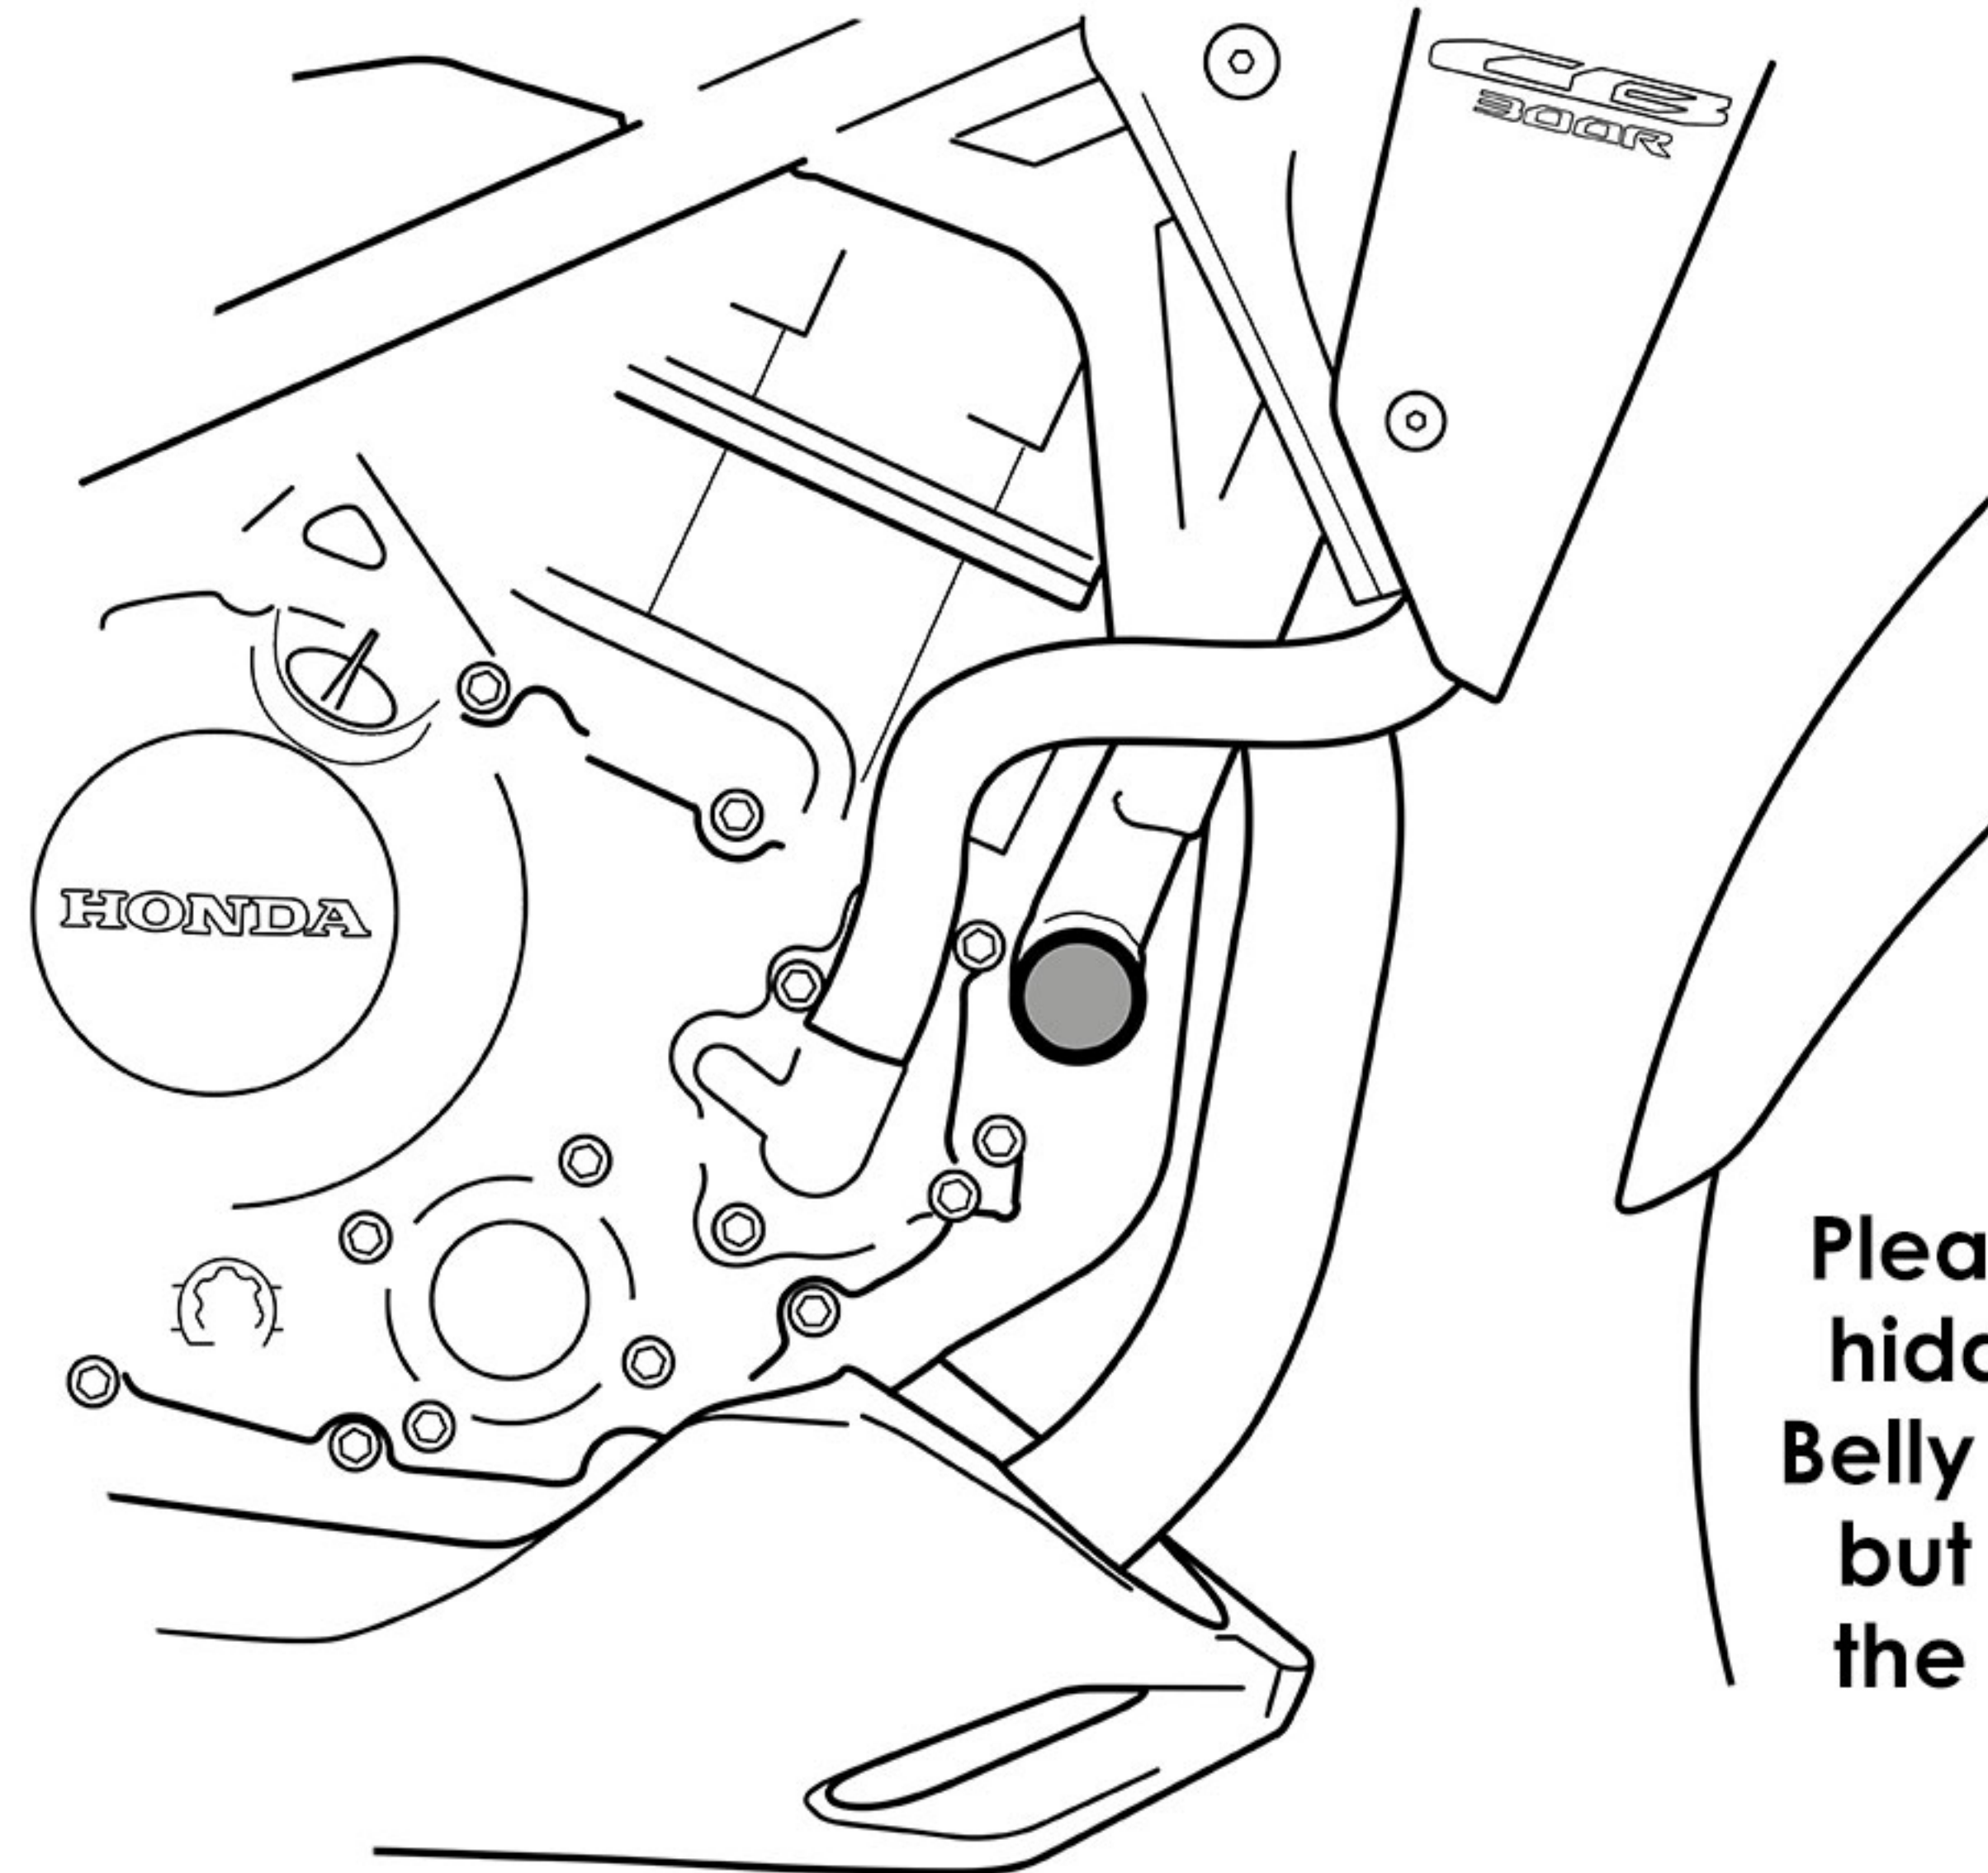

X2 30mm Cap

CBUNG028

- Ensure holes are free from debris, dirt & moisture before fitting.

Right-hand side shown below

Frame End Caps fit in same place on both sides

Please note: The frame hole is hidden from view behind the Belly Pan on the CB125R model but it is still possible to reach the hole and insert the caps.
