

35290 Yamaha Tracer 9 Infill Panels Fitting Instructions

Kit Includes:

1X	C35290	Infill Panels (pair)
6X	CBOLM80004	M8 X 10mm Stainless Bolt

**Fitting this product to a Tracer with OEM pannier brackets?
Use the original bolts - disregard the six that are supplied in this fitting kit.**

Pyramid advise the use of thread-locking fluid for this product.

Fitting these Pyramid infill panels is quick and simple.

- Use the 6 bolts supplied to attach the infill panels to the inside of the pillion footpegs. The larger infill panel should be fitted to the left hand side of the bike.
- Check fixings periodically.
