PRODUCED IN NEW ZEALAND

EDITION 15

## 2017 Sauvignon Blanc

### PALATE

A succulent and flavourful palate with passionfruit and blackcurrent notes. A mineral note leads to a long, lingering, zesty finish with a silky texture.

### AGEING POTENTIAL

Perfect for drinking immediately, this Sauvignon Blanc will be at its best over the next two years.

### AROMA

A ripe nose of passionfruit and blackcurrant. Fresh lifted notes of green leaf, and a hint of salt.

### WINEMAKING

The fruit for this wine was selected from vineyards across Marlborough's sub regions, including Wairau Valley. The fruit was carefully monitored throughout maturity and was harvested upon reaching optimum flavour development

and ripeness. Transported to the winery with haste and pressed off with minimal skin contact, the resulting juice was cool fermented in stainless steel to retain freshness and aromatics.
