

## **Blis Technologies Limited - Half Year Result**

Blis Technologies Limited announces their first half interim results (unaudited) with trading revenues of \$3.84 million, EBITDA of \$0.73 million and a net income before tax of \$0.43 million. This represents 41% revenue growth over the corresponding period last year.

In spite of a strong New Zealand dollar, the company expects no change to FY2017 guidance of trading revenues in excess of \$8 million and net income before tax in excess of \$0.7 million
