Assembly Instructions

Step 1. Glide Frame
Connect 2pcs of E to F, using screws, washer, and nuts. (L+Q .. Q+R).
Pay attention to which is the front direction, And leave the 1st location hole for next step.

Step 2. Rocking arms
For installing the front rocking arms, please use the longest screw N on the 1st location hole, See the following structure for illustration( N+Q+S+Q+R); and in the same way, connect the rocking arms to the rear top of Glide Frame using 2nd longest screw M. (M+Q+S+Q+R).
Step 3. Chair Frame

Taking A&B and D, and for rear end of the seat, use K+Q, And for the front end of the seat assembly, use J+Q+P.

Step 4. Backrest + Armres

Take the Backrest C and get it connected to armrests using screw K and washer Q. See image below.
Assembly Instructions

Step 5. Connect glide frame with Chair frame
Put the glide frame under the chair and connect the Chair frame with the bottom of rocking arms, with screw, the sequence of parts a (M+Q+S+Q+R). See image below.

Caution: The front of the seat is over the vertical legs of the glide frame, and the sloping legs should be under the rear end of the chair. Wrong way round might cause the tipping over of the seat and injuries might happen for user.

Step 6.
Tighten all the fixings with Allen key. And put screw and nut caps on and finish installation.
• This set has been tested for a maximum load of 200lbs static weight only.
• Please ensure that all components are fitted correctly before use of the Glider Seat.
• Under no circumstances should you abruptly sit or jump on the Glider Seat.
• Do not stand or kneel on the Glider seat.
• Please check the assembly works before you sit on the Glider seat.
• Make sure all the screws and bolts are tightened properly.
• Periodically check all fixings to ensure they remain secure.
• Prolonged exposure to the elements will inevitably lead to weathering – store away indoors throughout winter to preserve appearance.
• Do not leave the furniture out in excessively windy conditions as the furniture is light and may blow away.
• Clean using a mild detergent – do not use abrasive cleaners.
  When sitting in the chair do not lean back and put excessive pressure on the back rest.
• Keep all four chair legs on the floor when using the seat and gently sway on the provided mechanism.
