

Nano Shield™

**NANO SHIELD™
PREFIN CLEANER**

DESCRIPTION AND USES

Nano Shield™ PreFin Cleaner prepares prefinished wood flooring for use with Nano Shield Advanced Floor Finish. Nano Shield PreFin Cleaner is designed to remove all oils, dirt and contaminants to provide the optimum adhesion of the finish to the prefinished or laminate flooring. Nano Shield PreFin Cleaner is formulated for use on all wood floors coated with a clear unwaxed finish, including prefinished, laminate and polyurethane finishes. This product has been exclusively formulated to be used full-strength with no added water or dilution necessary. Not for use on waxed, oiled or unfinished wood. This product is low odor.

Note: This product is not to be used as a maintenance cleaner. It is designed specifically to be used prior to topcoating prefinished or laminate floors. For an everyday cleaner use Nano Shield Advanced Floor Cleaner.

FEATURES

- Enhances adhesion to prefinished wood flooring
- Low odor
- Specially formulated to be used prior to coating floors with Nano Shield Hardener

PRODUCT APPLICATION

Shake material thoroughly before and occasionally during use. Apply a test sample on a small inconspicuous area before proceeding with entire job. Sweep or vacuum to remove any loose dirt or dust. Hint: When pulling cap open, do not squeeze bottle. Pulling the cap will prevent liquid from squirting. Working in small sections, apply PreFin Cleaner directly to the surface. Apply in an "S" pattern. Avoid puddling. Buff with a purple pad or synthetic steel wool to work loose any dirt or contaminants. Be sure to scrub the entire area to ensure maximum adhesion of the finish coat. Wipe floor with clean damp rags or sponge mop to remove any dirty liquid. Allow the floor to dry to touch before applying the finish coat.

NOTE: Nano Shield PreFin Cleaner is formulated to be used full strength. Do not dilute.

CLEAN UP

Clean application tools and equipment with water.

Storage and Disposal:

Keep container closed when not in use. Do not transfer contents to other containers for storage and disposal. Do not return used material to original container. Dispose of unused contents in accordance with local, state and federal regulations.

NOTICE: Intentional misuse by deliberately concentrating and inhaling the contents may be harmful or fatal.

TECHNICAL DATA**NANO SHIELD™ PREFIN CLEANER****PHYSICAL PROPERTIES**

Composition		Proprietary Ingredients and Water
Weight	Per Gallon	8.3 lbs
	Per Liter	1.0 kg
Solids	By Weight	5.0%
