Dimensions: 240mm W x 114mm H x 169.5mm H. 2.35Kg

WHO ARE SANGEAN??

Sangean are a Taiwanese company and have their own factory complex in China. They have been making radios since 1974 and design, engineer and manufacture all their radios. They place great emphasis on the sound and reception performance. Due to their Shortwave radio expertise the tuners in all their radios are superb. If a Sangean Radio cannot get reception – nothing will!
