Peony's gone romantic in this celebration of love and longing. A sensual floral that lingers in your memory... just like a goodbye kiss. Dreamy, lush, and more than a little flirty.

The perfect romantic night? Mais bien sur.

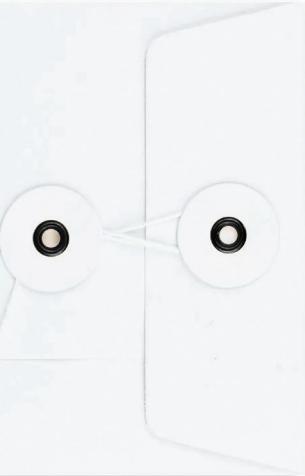

La pivoine est devenue romantique dans cette célébration de l'amour et du désir. Un floral sensuel qui reste dans votre mémoire... comme un baiser d'adieu. Réveur, luxuriant et plus qu'un peu dragueur. La nuit romantique parfaite?

Mais bien sur.
