# REVO™

## INTRODUCTION

In conjunction with the world renowned British guitar builder and designer Alan Entwistle, Vintage® have launched REVO Series™ (REtro Vintage Originals™), a brand-new line of electric guitars and basses for 2024.

If you're looking for something different from the norm', REVO with it's classic custom styled retro themes designed by Entwistle, includes beautiful big bodied semi-acoustic, thin-line, offset and solid bodied instruments. If multi-switching and tone's your thing REVO has it in abundance, and with today's modern wiring it'll stand up on any stage.

Superbly crafted from excellent tonewoods and available in a range of stunning finishes, highly spec'd with Wilkinson® hardware and GraphTech® nuts, all Vintage REVO models, with their individual designs and specifications are what you've been waiting for, but couldn't afford.

All models will exclusively feature a range of Entwistle designed custom pickups for extreme tone and output, along with a host of onboard switching facilities.

*Alan Entwistle*

Designed in the UK by  
World renowned British  
guitar builder and designer  
Alan Entwistle and the  
Vintage design team.

## VRS650 – CUSTOM SUPREME BARITONE VI™

# CUSTOM SUPREME BARITONE VI™

Whilst there's no denying the mistakable classic sounds of chords and solo note runs played in a lower pitch on baritone guitars, the new Vintage Revo Series Custom Supreme Baritone VI offers a whole new outlook on these popular models. The natural resonance of the maple constructed, double cutaway semi-acoustic body, is enhanced via 3 Entwistle low-noise RT 64 double coils capturing true baritone sonics with clarity and power, with master volume, two tone controls and individual pickup on/off slide switches.

Beautiful on the eye, with a bound body, maple neck and 22 fret, bound jatoba fingerboard with block inlays, GraphTech precision-cut nut and chrome hardware that includes Wilkinson machine heads, roller bridge and vintage offset vibrato system.

### Spec

## VRH300 – SUPERTHIN

# SUPERTHIN

Fans of big bodied semi-acoustic electric guitars from the 60's, will adore the new Revo Series Superthin with its double bound body, mahogany set neck, 22 fret bound jatoba fingerboard with distinctive patterned inlays and Vintage vibrato design.

Classic style visuals are intensified with a 3-ply scratchplate, Volume, Tone and Bass-Cut switch control panel and individual on/off slide switch panel for the three Entwistle HFS 63 low noise double coils.

With Wilkinson tulip-button machine heads, a precision-cut GraphTech nut and roller bridge, the Revo Superthin has all the class of a 60's semiacoustic guitar but with a modern approach to playability and sonic versatility.
