

CR-50B

Quick Change Corner Rounder

This heavy-duty, manually operated table top model has a wooden top plate for large products and is designed to handle paper, card and plastic. The shear cutting action is particularly accurate for difficult projects. The CR-50B has several die options to meet all your project needs.

KEY FEATURES

- Sturdy wood top plate
- Easily cuts paper, card and plastic
- Hand operated
- Quick and easy to change dies
- Made in USA

Quick and Easy:

The dies are simple to change out; lift the handle, slide the old die out, slide the new die in and move the handle back down.

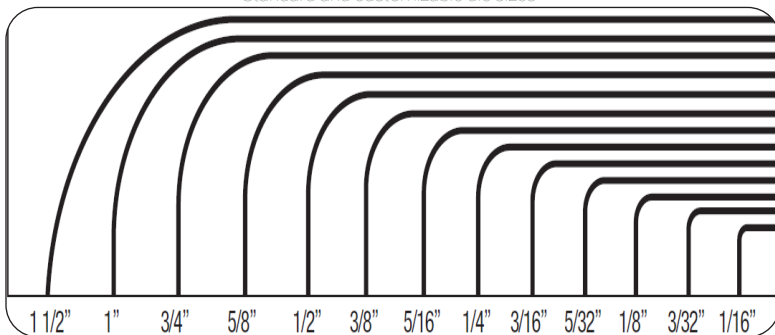

Change out dies
