

Finish@Coil - M

Electric Inserter and Manual Crimpers

This system is a handy electric desktop coil inserting machine that works with any standard spiral binding plastic coil. It will electronically roll the spiral coil into your pre-punched pages with just the tap of a foot pedal. Once completely inserted, simply use the included manual crimper pliers to finish each end of the coil. With the Finish@Coil - M you will be able to quickly and professionally finish your projects.

KEY FEATURES

- Coil crimpers compartment
- Spiral coil diameter scale and selector
- Foot pedal operated (inserting)
- Adjustable roller mechanism
- U-shaped alignment channel
- One-year warranty

Pitch Identifier:

Gives the operator the ability to verify the coil pitch matches that of the punched document.

Crimper pliers included

Full-size adjustable roller
