

FlexiCloser 2

Automatic Wire Closer

The all new FlexiCloser 2 has been re-built for speed and durability. This advanced, long-lasting, heavy-duty motor closes 3:1 or 2:1 wire twice as fast compared to the original model. It is simple to operate with the LCD Control Panel and Smart Detect System. The FlexiCloser 2 is built to last.

KEY FEATURES

- Smart detect system
- Built-in safety sensors
- LCD control panel
- Magnetic back
- Built-in wire holder
- One-year warranty

Innovative Magnetic Back:

Aligns and holds the wire securely in place during the closing process making it most effective.
