

Green Board Paper Trimmer with Mobile Cart

Trimmer Table

This all-in-one 36" paper trimmer and mobile cart will take your projects to the next level. Some dynamic features include a heavy-duty, wood-base trimmer, mobile cart with two locking wheels, a paper clamp to ensure proper alignment, soft-grip handled blade, and both English and metric rulers. It provides the ability to cut through paper, matte board, cardboard, tissue and much more.

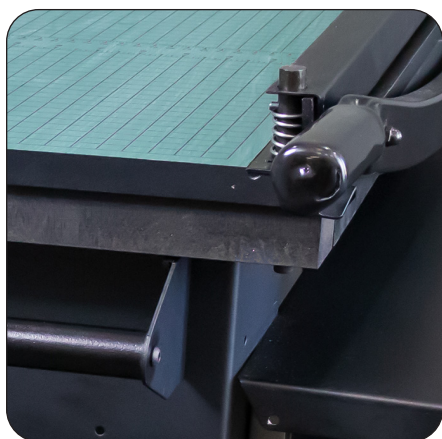

KEY FEATURES

- Self-sharpening steel blade
- Finger guard and torsion spring
- Patented automatic blade latch
- Non-skid rubber feet
- Mobile cart with locking wheels

Designed with Safety:

The soft-grip handle includes a finger guard and torsion spring to prevent the blade from falling during operation.

Two swivel casters / two locking casters

Collapsible side table
