

LAMINATOR CART

Large Flat-Top and Tub-Bottom Laminator Cart

This tough utility cart features a large flat top shelf and a bottom tub shelf that can hold a wide variety of items. It is made from thermoplastic resin, which means the shelves will not scratch, stain, dent, or rust. A push handle that's molded into top shelf and smooth rolling, heavy-duty 4" casters make this cart easy to maneuver across shop floors, down tile halls, and over cement.

Key Features

- Easy assembly
- Multipurpose
- Shelves are reinforced with aluminum bars
- Ergonomic push handle
- Four heavy-duty 4" casters - two with brakes
- Made in USA

Large-Scale Weight Capacity:

With shelves that are reinforced with aluminum bars, this cart is able to handle a maximum weight of 400 pounds.

Bottom tub shelf

Easy guide push handle
