

Laminator Cart

Large Flat-Top and Tub-Bottom Laminator Cart

This tough utility cart features a large flat top shelf and a bottom tub shelf that can hold a wide variety of items. It is made from thermoplastic resin, which means the shelves will not scratch, stain, dent, or rust. A push handle that is molded into top shelf and smooth rolling, heavy-duty 4" casters make this cart easy to maneuver across shop floors, down tile halls and over cement.
