

# ONYX HD 8370

## Semi-Automatic Wire Closer

The ONYX HD 8370 offers fast and reliable wire closing without the need to manually hand insert or thread the double loop wire prior to closing it around the document. This system is quicker to operate than many other electric wire closers. This ONYX HD 8370 is superior lightweight and portable but still contains the premium all metal construction to make it last.

### KEY FEATURES

- One-step insert and close process
- Easily adjustable for wire size
- Lightweight and portable
- Easy operation
- All metal construction
- Three-year warranty

### Timesaving Insert and Close Process:

This one-step process eliminates manual insertion of the wire into a document.

Easy pull-down handle
