VersaMac Plus HD

Electric Punch and Stacker System

This commercial grade system has an automatic paper ejector, the ability to automatically punch, eject, stack and jog. The VersaMac Plus HD is the perfect solution for high volume commercial environments, where speed and dependability are key.

KEY FEATURES

- Heavy-duty punch motor
- Extra large paper stacker
- Die lock with safety sensor
- Reverse button
- Manual jam release
- Three-year warranty

One-Of-A-Kind Depth Margin Control :

The dies allow you to adjust the depth margin of the holes so you can decrease the margin for smaller books and increase the margin for larger books.

Stacking stabilizer
