

Birth Pool in a Box Professional

Birth Pool in a Box Professional

is designed to provide a comfortable and safe environment for labouring and birthing in water for mother, baby and midwife. The single use custom fit liner acts as an infection control barrier and fits securely on the pool, which can be used multiple times and has a warranty for manufacturing faults of the lesser of 40 uses or 4 years.

Features

Height adjustable for woman and midwife

6 handles for control during labour and birth

Internal seat to sit on during labour and to sit with newborn's head safely out of the water

Water depth up to 24"

Integrated cupholder to help with hydration

Inflation time 10 minutes

Usage tracking matrix for compliance
