Hooked on Hebrew Card Maven Program

Given by
Behrman House and Hebrew School Fun. Com

Overview:

Hooked on Hebrew Card Mavens are post-Bar/Bat Mitzvah teens who work with students playing Hooked on Hebrew games on varying ability levels focused on the Hebrew alphabet, vowels, decoding, prayers, and vocabulary. Hooked on Hebrew Card Mavens need to know modern Hebrew and attend a 90-minute workshop on Zoom, along with a Hooked-on-Hebrew coordinator, at no cost to the congregation, to learn how to play Hooked-on-Hebrew games.

Objectives:

- To improve Hebrew School students' learning of letters, vowels, prayer, and conversational Hebrew
- To give teachers more time to teach
- To give post-Bar/Bat Mitzvah teens an important role in the congregation and in the Jewish community
- To support "Hooked on Hebrew" card game instruction

How it works:

1. The educational director or principal invites a teacher, a parent, or a member of the congregation's Board of Education to be the Hooked on Hebrew coordinator of the Card Maven Program.
2. The coordinator invites post-Bar/Bat Mitzvah students to become Hooked on Hebrew Teen Card Mavens. The congregation determines if the teens receive community service credit or payment.
3. The coordinator is a liaison between the teachers and the Teen Mavens to assist in the class when they play Hooked on Hebrew card games or if a particular student needs one-to-one tutoring.
4. The coordinator and the Teen Mavens attend a 90-minute workshop, offered on Zoom at no cost, in order to learn how to play the games. Each receives a copy of the directions to have with them to ensure that the cards are being used as intended. (Please contact Hebrewschoolfun.com if you would like an in-person workshop)

The benefits of having Hooked on Hebrew Card Mavens are:

- Hooked on Hebrew Card Mavens know the directions for every game.
- Hooked on Hebrew Card Mavens help students when they need help remembering a letter, a vowel sound, or part of a prayer.
- Hooked on Hebrew Card Mavens provide immediate and personal support, emotional and social support, and academic support for each student.
- Hooked on Hebrew Card Mavens give the teachers more time to teach.
- Hooked on Hebrew Card Mavens are given an important role in the religious school, the congregation, and in the Jewish community.
