

# SHLIACH'S SQUAD

## LET'S LEARN TORAH

### SHLIACH PROJECT MITZVAH SEVEN

#### SHAVUOS IS ALMOST HERE & WE ARE GETTING READY FOR MATAN TORAH AGAIN.

Each year it is as if we are receiving the Torah again. It's exciting! A gift from Hashem just for us! The Torah is our guide to living. It tells us what we need to do & how to do it. We can find all the answers we need in Torah. Of course, you don't need to understand it all alone. We are so lucky! We have Rebbiem, Moros, parents & teachers to help us learn & understand Torah.

Learning Torah isn't just a nice thing to do. It is a mitzvah.

Every time you learn in school, at shul or at home, you are doing a mitzvah.

As we prepare for Shavuos we are going to add a bit of extra Torah learning to collect extra mitzvos.

#### THIS WEEK LET'S ADD 5 EXTRA MINUTES OF TORAH LEARNING INTO EVERY DAY.

First choose what you are going to learn. You can choose extra Chumash or Mishnayos or a Parsha book or to listen to a hotline with Divrei Torah. There are so many options, choose one.

Then choose a time of day to learn every day. Maybe right after homework or before bedtime so you won't forget. And then, just do it! Spend those few extra minutes learning the precious words of Torah & connecting to Hashem. And, of course, be a Shliach! Tell your friends to join this mission & learn some extra Torah now before Shavuos too.
