

# BRIGHT & BEAUTIFUL

Embrace summer in the country with colours and patterns mirroring the gardens and meadows outside your door. Stylised prints and joyful shades of blue, pink and yellow give familiar florals a fresh feel.

## CREATE A WELCOMING SPACE

Add a modern touch to the hallway with a cool, monochrome wallpaper. Match with a simple table and add a choice of baskets to keep everyday items in check. »

## MAKE A LIVING ROOM SING WITH COLOUR

Create a bright and inviting room with just the right balance of pattern and plain. Midtone shades add a cheery touch, yet work with classic country neutrals.

## COVER A HEADBOARD WITH A FUNKY FABRIC

Make early mornings a little brighter  
with a colourful custom headboard.  
Fresh flowers in similar tones add  
a fizz to a bedside cabinet. »
