stool test provider comparison guide

with new advanced technologies for stool testing now available, compare brands with this no nonsense comparison guide.

Ease of use

	GI360™	GI Map	GI Effects
Collection Days available	1-3 ¹	1	1-3
Clear Summary & Reporting	✓		✓

1 Choose from one, two or three day test. No price variation

Technologies

Microbiome Diversity and abundance PCR	✓	✓	✓
Pathogens and Parasites PCR	✓	✓	✓
Viruses PCR	✓	✓	
Expanded Parasitology; Microscopy	✓		✓
Bacterial and Fungal Culturomics w/Direct Susceptibilities; MALDI-TOF MS	✓		✓

Digestion

Number of Digestive Markers	3	2	3
-----------------------------	---	---	---

Inflammation

Number of Inflammation Markers	3	1	2
--------------------------------	---	---	---

Microbiome Health

Short Chain Fatty Acids	✓		✓
Beta Glucuronidase	✓ ¹	✓	✓
Dysbiosis Index	✓		✓
European Microbiome Reference Ranges	✓		

1 Launches Jan 2020

Gut Health

Faecal Occult Blood	✓	✓	✓
RBC	✓		✓
WBC	✓		✓
Zonulin (Add on available)	✓	✓	✓
Mucus	✓		
Charcot-Leyden Crystals	✓		✓
Ph	✓		✓
Colour & Consistency	✓		✓

All information provided within this guide has been sourced using publicly available information from manufacturers and research documentation available in the public domain

Bacteriology

	GI360™	GI Map	GI Effects
Commensal Flora by PCR	45	19	24
Additional Flora & Pathogenic Flora	>1400 Culture	<22 PCR	<200 ⁱ Culture
Susceptibility Testing (Natural and Pharma Agents)	✓		✓
Antibiotic Resistance Genes		NC	

ⁱ Manufacturer specified

Yeast

Yeast identification capacity	>200	5	ND
Susceptibility Testing (Natural and Pharma Agents)	✓		✓

Immunology

Secretory IgA	✓	✓	✓
Anti Gliadin IgA		IIS	

Parasites

Parasites & Protozoa (PCR)	3	10	6
Parasites and Protozoa (Microscopy)	>40	0	15
Worms (capacity)	>30	5	16
Viral Pathogens	3	2	0

Additional Pathogens

H Pylori Antigen	AOT		AOT
H Pylori & Virulence Factors PCR		NFC	
CytoMeg		IIS	
Epstein Barr Virus		IIS	
Campylobacter	✓	✓	AOT
Clostridium Difficile	✓	✓	AOT
Shiga Tox Ecoli	✓	✓	AOT

KEY

(NC) NOT CLINICALLY RELEVANT, (ND) NOT DISCLOSED, (IIS) INVALID IN STOOL, (AOT) ADD ON TEST, (NFC) NOT FDA CLEARED.
