

OREO TRUFFLES

Pair with 21 Brix Cabernet Sauvignon

INGREDIENTS:

- 1 package (8 ounces) cream cheese, softened
- 1 package Oreo cookies
- 16 ounces dark chocolate chips

INSTRUCTIONS:

- Place the package of Oreo cookies in a food processor and pulse into fine crumbs. Pour crushed Oreos into a mixing bowl and then add the block of cream cheese. Mix on low speed with a mixer until well combined.
- Scoop 1 tablespoon of the mixture out at a time and form into 1-inch balls and then place on a cookie sheet which is lined with parchment paper.
- Place the cookie sheet in the freezer for 15 minutes to chill.
- Melt chocolate chips in a microwave safe bowl. Remove truffles from the freezer and dip into the melted chocolate and then place back on the cookie sheet until the dark chocolate hardens. Store in an air-tight container in the refrigerator.
