Arnica Muscle Therapy Enhancement

STEP	PRODUCT	INSTRUCTIONS
1	Kneipp Professional Mineral Bath Salt or Kneipp Professional Bath Oil	<p>For each hand towel used, add 1/4 oz. of Arnica Joint & Muscle Mineral Bath Salt to a basin.</p> <p>NOTE: This protocol may be adapted for use with any Kneipp Bath Oil and Mineral Bath Salt variety.</p>
2		<p>Add rolled hand towels and just enough hot water to saturate.</p>
3		<p>Stir to dissolve salts. Lightly wring excess moisture from the towels and place in a hot cabi to keep warm until ready for use.</p>
4		<p>Apply hand towels to indicated areas, folded in half for two layers of heat.</p>
5		<p>Top with a dry towel and let it penetrate until towels lose heat. Especially delightful when wrapped around sore feet!</p>

This protocol may be adapted for use with any Kneipp Bath Oil and Mineral Bath Salt varieties.
