

LaFlore®
LIVE PROBIOTIC SKINCARE

GUIDEBOOK
& PROTOCOLS

BEAUTY *only Better*

A woman with long brown hair, wearing a white, multi-layered tutu, is floating underwater. She is looking upwards and to the left. The water is a deep blue with sunlight filtering through from the surface, creating a shimmering effect. The overall mood is serene and ethereal.

At LaFlore® we know your clients come to you, the expert, to look and feel their best regardless of age, skin type or skin concern. The problem is most professional product lines focus on treating skin by skin type or concern instead of restoring overall skin health. This can leave you a bit frustrated, and constantly searching for something that can help ALL your clients or at the very least those most difficult to treat.

We understand the frustration, which is why we created LaFlore® for professionals. We believe skincare should be intuitive and an amplifier of natural beauty without compromising luxury. Our patented fully integrated plant-based skincare line nourishes the skin microbiome with topical LIVE probiotics to restore balance, while supporting the natural healing processes of the skin.

Beauty Only Better.

Live Probiotic Skincare

One Purpose: Balance The Skin Microbiome

What is the Skin Microbiome?

Like the gut, the skin is home to a community of billions of friendly living microorganisms, also known as skin flora (beneficial bacteria that protect the skin). This community is called the skin microbiome. Think of it as an invisible ecosystem that lives on the skin that's working to help keep it healthy and in good condition.

Why Live Probiotic Skincare?

The fact is the skin microbiome consists of beneficial bacteria that work to protect and support the skin. This microbiome helps defend the skin against pathogens and manages the ideal pH while continuously delivering vitamins, minerals, and peptides the skin needs for balance.

What many do not realize that most common skin concerns are related to an imbalanced skin microbiome. When the skin microbiome becomes unbalanced, it can impact how skin looks and feels. Using topical LIVE probiotics

is an effective way to instantly replenish the beneficial bacteria needed.

LaFlore's patented technology infuses LIVE probiotics to create high-performance skincare without the need for refrigeration. Activated upon application, LIVE probiotics nourish, support, and help balance the skin microbiome

The LaFlore® Difference

At LaFlore®, we have seen results on the skin by using a blend of plant-based ingredients and a combination of LIVE probiotics, prebiotics, and probiotic extracts to deliver skincare that supports the natural life cycle of the skin.

LaFlore's innovative skincare system does not require refrigeration and is toxin-free, bleach-free, anti-pollution, multi-functional, gluten-free, paraben-free, allergen-free, and is safe for ALL skin types.

Unique Time-Release Formulation

Our scientists have perfected the delicate process of suspending LIVE probiotics in our proprietary gel matrix where they remain dormant until activated by your touch.

The LIVE probiotics are encapsulated in our proprietary matrix and they deliver nutrients around the clock to support the skin microbiome. Our formulas using prebiotics, LIVE probiotics, and probiotic extracts act as biosensors, helping the skin adapt to external stressors and improve the barrier function.

Regardless of age, skin type or skin concern, LaFlore® Live Probiotic Skincare will help create optimum skin health at the most profound level possible, the skin microbiome.

Clean Beauty

The clean beauty manufacturing processes we follow dictate that each ingredient undergo a detailed toxicological evaluation ensuring natural purity. Not only are the ingredients healthy for the consumer, but they also protect the planet in an inherently authentic way.

We use ingredients that are plant-based, ECOCERT (whenever possible), free of toxins and allergens, paraben-free, PEG-free, DEA-free, vegan, and gluten-free. Most importantly our LIVE probiotic technology works, providing sustainable benefits that include skin renewal, improved hydration, elasticity, and tone.

LaFlore® only uses the highest quality ingredients available. All therapeutic ingredients are sourced with the utmost integrity from their indigenous regions at peak harvest time and are handled with great care to ensure best results.

LIVE probiotics have proven to:

- Increase collagen and elastin production
- Decrease redness and sensitivity
- Reduce the frequency and intensity of breakouts
- Fight off harmful bacteria, pathogens, and viruses on the skin
- Reduce the appearance of fine lines and wrinkles

At LaFlöre® we know understanding probiotic skincare can be confusing. We are here to help educate by sharing the truth, facts, science, and benefits of topical LIVE probiotics so you can make the best decision in selecting skincare.

Understanding Probiotic Skincare Begins with Understanding How Probiotics Work

What are Prebiotics?

In order for LIVE probiotics to effectively support the skin microbiome a supply of energy is needed and must be available. Prebiotics are the source of energy/food needed for LIVE probiotics and your skin microbiome.

What are Probiotics?

Probiotics are living microorganisms that have nutritional, metabolic, and immune health benefits when used topically or orally. Topical LIVE probiotics provide a boost of beneficial bacteria to the skin microbiome and help neutralize harmful bacteria. They also deliver postbiotics your skin needs such as vitamins, AHA, PHA, BHA, antimicrobial peptides, amino acids, micronutrients, antioxidants, anti-inflammatory substances and more.

What are Probiotic Extracts?

Probiotic Extracts, scientifically known as lysates, are a fluid obtained by the process of breaking LIVE probiotic bacterium apart. *Probiotic extracts do not contain LIVE probiotics.*

A woman with blonde hair, wearing a white waffle-knit bathrobe, is in a bathroom. She is looking into a mirror and applying a white cream to her face with her fingers. The bathroom features a white pedestal sink with a modern chrome faucet. In the foreground, there are two white ceramic toothbrush holders, one containing two wooden toothbrushes. The background shows a glass shower door and light-colored tiled walls. The overall atmosphere is clean, bright, and serene.

RETAIL

Enzymatic Cleanser

For all skin types - a gentle, enzymatic cleanser that softens, brightens, and balances.

LaFlore® Enzymatic Cleanser gently washes away makeup and pollutants and helps balance the skin microbiome for optimum overnight replenishment and recovery.

Dermatologist tested and approved.

Size: 4 oz. / 114g

KEY INGREDIENTS

Bifida Ferment Lysate (Probiotic Extract)

Helps firm and tighten skin, neutralize harmful bacteria and shelter skin from environmental aggressors.

Perilla Seed Oil (Japanese Mint)

Stimulates circulation, calms skin and delivers protective antioxidants.

Bromelain (Pineapple Extract)

Gently softens and exfoliates without disrupting the skin's barrier function.

DIRECTIONS

Use once a day, preferably in the evening. Massage 2-4 pumps onto damp skin - face, neck, décolletage, and rinse. May be left on for up to 90 seconds as an exfoliating mini-mask.

INGREDIENTS

Aqua (Water), Cocamidopropyl Hydroxysultaine, Glycerin, *Perilla Frutescens* (Japanese Mint) Seed Oil, Sucrose Cocoate, *Ananas Sativus* (Pineapple) Fruit Extract, Cellulose Gum, Polyglyceryl-4 Caprate, Sorbitan Sesquicaprylate, *Bifida Ferment Lysate*, *Hibiscus Sabdariffa* Flower (Sorrel) Extract, *Chondrus Crispus* Powder, *Ceratonia Siliqua* Gum, Menthyl Lactate, *Cinnamomum Cassia* Bark/*Syzygium Aromaticum* Bud/*Rosmarinus Officinalis* (Rosemary) Leaf/*Thymus Vulgaris* (Thyme) Leaf Oil, Sodium Phytate, *Cymbopogon Flexuosus* (Lemongrass) Oil, *Mentha Viridis* (Spearmint) Leaf Oil, Glucose, Ethylhexylglycerin, Menthol, Citral*, Limonene*, Cinnamal*, Eugenol*, Phenoxyethanol.

*Naturally found in essential oils.

Contains probiotic extracts. Store in a cool, dark place.

Live Probiotic Concentrated Serum

For all skin types - a plant based recovery and replenishment serum.

Formulated with LIVE probiotics this serum is packed with vitamins, minerals, and peptides for radiant skin. LaFlore® Live Probiotic Concentrated Serum helps calm and smooth the skin by reducing the appearance of fine lines, wrinkles, and dark spots.

Dermatologist tested and approved.

Size: 2 oz. / 57g

KEY INGREDIENTS

Hansenula/Kloeckera/Lactobacillus/Lactococcus/ Leuconostoc/ Pediococcus/Saccharomyces (LIVE Probiotics)

An intensely bio-friendly probiotic cocktail that boosts collagen and elastin production while calming, protecting and brightening the skin.

St. John's Wort Oil

Sourced directly from LaFlore®'s own organic growers and harvest-day shipped to preserve phytoactivity, this powerful and universally restorative herbal extract helps soothe all skin types.

Sea Buckthorn Oil

A plant extract containing high levels of beta carotene that helps correct breakouts and smooth fine lines and wrinkles.

DIRECTIONS

Use once a day, preferably in the evening after cleansing. Massage 2-4 pumps onto the face, neck, and décolletage.

INGREDIENTS

Aloe Barbadensis Gel, Squalane, *Olea Europaea* (Olive) Fruit Oil, *Lactococcus* Ferment Lysate, *Simmondsia Chinensis* (Jojoba) Seed Oil, Glycerin, Octyldodecyl Myristate, *Cannabis Sativa* (Hemp) Seed Oil, Aqua (Water), *Persea Gratissima* (Avocado) Oil, *Hippophae Rhamnoides* (Seabuckthorn) Fruit Oil, Bisabolol, *Hypericum Perforatum* (St. John's Wort) Flower/Leaf/Stem Extract, *Hansenula/Kloeckera/Lactobacillus/Lactococcus/Leuconostoc/Pediococcus/Saccharomyces*/Fig/Lemon Ferment, *Pichia/Resveratrol* Ferment Extract, Tocopherol (Natural Vitamin E), Aminopropyl Kojyl Phosphate, Cellulose Gum, Citric Acid, Sodium Hydroxide, Sodium Phytate, Carbomer, Sorbitan Oleate, Isoleicosane, Chitosan, Ethylhexylglycerin, Acrylates/C10-30 Alkyl Acrylate Crosspolymer, Phenoxyethanol.

Contains LIVE probiotics. Store in a cool, dark place.

Daily Defense Moisturizer

For all skin types - an antioxidant rich, illuminating moisturizer.

A soothing antioxidant rich complex that replenishes the skin microbiome. Packed with vitamin D3, hyaluronic acid, and vitamin C, LaFlore® Daily Defense Moisturizer helps hydrate and plump the skin instantly.

Dermatologist tested and approved.

Size: 2 oz. / 57g

KEY INGREDIENTS

Bifida Ferment Lysate and Saccharomyces Lysate Extract (Probiotic Extracts)

Neutralize surface bacteria, reduce redness and help support collagen and elastin production.

Pycnogenol®

A potent antioxidant clinically proven to lower scar formation, reduce breakouts and increase collagen and elastin production.

Vitamin D3

Fortifies the skin's barrier function, smooths and firms the skin and helps reduce redness and surface irritation.

DIRECTIONS

Massage 2-4 pumps onto the face, neck, and décolletage. Apply in the morning and throughout the day as necessary to maintain hydration. May be mixed in a 1:1 ratio with makeup or applied over makeup, using a pressing motion.

For increased hydration add 1-2 drops of LaFlore® Longevity Oil.

INGREDIENTS

Aloe Barbadensis Gel, Perilla Frutescens (Japanese Mint) Seed Oil, Butyrospermum Parkii (Shea) Butter, Polyglyceryl-6 Distearate, Bifida Ferment Lysate, Simmondsia Chinensis (Jojoba) Seed Oil, Punica Granatum (Pomegranate) Seed Oil, Bisabolol, Silica, Saccharomyces Lysate Extract, Aqua (Water), Glycerin, Sodium Hyaluronate (Hyaluronic Acid, Sodium Salt), Pinus Pinaster (Pine)Bark Extract, Ethylhexylglycerin,7-Dehydrocholesterol (Provitamin D3), Potassium Cetyl Phosphate, Citrus Aurantium Bergamia (Bergamot) Fruit Oil, Sodium Phytate, Sodium Anisate, Sodium Hydroxide, Acrylates/C10-30 Alkyl Acrylate Crosspolymer, Mica (CI 77019), Limonene, Linalool*, Titanium Dioxide (CI 77891),Tin Oxide (CI 77861), Phenoxyethanol.*

*Naturally found in essential oils.

Contains probiotic extracts. Store in a cool, dark place.

Longevity Oil

For all skin types - a soothing botanically rich moisturizing oil blend.

Cold pressed, omega balanced blend, crafted to soothe, nourish, and brighten skin.

Size: 1 fl oz. / 30ml

KEY INGREDIENTS

Turmeric

Contains antioxidants known to soothe and brighten the skin. Because of its astringent properties, the oil helps to tighten and tone, promote elasticity and clear acne-prone areas such as face, neck and back. Turmeric oil has also been known to help mend skin and even out areas with damage caused by overexposure to sunlight.

Arnica

Can help calm inflammation and irritation.

Hibiscus

Helps tighten, reduce dark spots, even skin tone and fights free radicals.

DIRECTIONS

Dispense 4-7 drops onto palms. Rub palms to warm up the product. Apply to face, neck, and décolletage.

May be applied with LaFlore® Live Probiotic Concentrated Serum or Daily Defense Moisturizer. AM/PM formula.

INGREDIENTS

Olea Europaea (Olive) Fruit Oil, *Perilla Frutescens* (Japanese Mint) Seed Oil, *Cocos Nucifera* (Coconut) Oil, *Persea Gratissima* (Avocado) Oil, *Hibiscus Sabdariffa* (Sorrel) Seed Oil, *Butyrospermum Parkii* (Shea) Butter, *Hypericum Perforatum* (St. John's Wort) Flower/Leaf/Stem Extract, Tocopherol (Natural Vitamin E), *Hippophae Rhamnoides* (Seabuckthorn) Fruit Oil, *Rosa Canina* (Rosehip) Fruit Oil, *Solanum Lycopersicum* (Tomato) Seed Oil, Ethylhexylglycerin, *Arnica Montana* Flower Extract, Caprylic/Capric Triglyceride, *Curcuma Longa* (Turmeric) Root Extract, *Vaccinium Macrocarpon* (Cranberry) Seed Oil, *Helianthus Annuus* (Sunflower) Seed Oil, *Lactobacillus* Lysate, *Lavandula Angustifolia* (Lavender) Flower Oil, *Pelargonium Graveolens* (Geranium) Flower Oil, *Cymbopogon Flexuosus* (Lemongrass) Oil, *Citrus Aurantium Bergamia* (Bergamot) Fruit Oil, *Origanum Vulgare* (Oregano) Oil, *Illicium Verum* (Anise) Fruit/Seed Oil, Limonene*, Linalool*, Citral*, Geraniol*.

*Naturally found in essential oils.

Contains probiotic extracts. Store in a cool, dark place.

DIRECTIONS

Use once a day, preferably in the evening. Lightly apply one pump under eyes. Using fingertips, delicately press into the skin.

Vitality Eye Cream

For all skin types - an antioxidant rich eye brightening cream.

A powerful antioxidant rich brightening cream. Anti-aging and anti-inflammatory blends of rejuvenating botanicals target visible dark circles to enhance radiance while eliminating discoloration, puffiness, and wrinkles.

Size: 0.3 oz. / 9g

KEY INGREDIENTS

Bellis Perennis (Daisy) Flower Extract

Activates vital processes which allow for the breakdown of heme, which is what contributes to dark circles under the eye. Also activates dermal draining through its ability to increase the production of VEGF-C. Excess fluids are drained away more efficiently.

Polianthes Tuberosa Callus Extract

Restimulates circulatory and tissue mechanisms. Tuberosa cells and betaine enable the area around the eyes to regain brightness and its original shape. Also enhances radiance, uniformity of skin color, promotes an elimination of toxins, and increases microcirculation in the skin.

Alpha Hesperidin

A bioflavonoid found as the active component of the citrus peel. Makes pores less visible. Rich in antioxidant and anti-inflammatory properties which leads to stimulation of circulation and promotes blood flow.

INGREDIENTS

Aloe Barbadenesis Gel, *Perilla Frutescens* (Japanese Mint) Seed Oil, Polyglyceryl-6 Distearate, *Simmondsia Chinensis* (Jojoba) Seed Oil, Potassium Cetyl Phosphate, *Hieracium Pilosella* (Hawkweed) Extract, *Oenothera Biennis* (Evening Primrose) Oil, *Theobroma Cacao* (Cocoa) Seed Butter, *Bellis Perennis* (Daisy) Flower Extract, Glycerin, Ethylhexylglycerin, *Rosa Canina* (Rosehip) Seed Oil, *Persea Gratissima* (Avocado) Oil, *Polianthes Tuberosa Callus* (White Tuberosa Flower) Extract, Glucosyl Hesperidin, Aqua (Water), Sodium Hyaluronate, *Saccharomyces* Lysate Extract, *Saccharomyces*/Copper Ferment, *Saccharomyces*/Iron Ferment, *Saccharomyces*/Magnesium Ferment, *Saccharomyces*/Silicon Ferment, *Saccharomyces*/Zinc Ferment, *Lactobacillus* Ferment, *Leuconostoc*/Radish Root Ferment Filtrate, *Camellia Sinensis* (Green Tea) Leaf Extract, Tocopherol (Natural Vitamin E), Xanthan Gum, Sodium Anisate, Sodium Phytate, *Cananga Odorata* (Ylang Ylang) Flower Oil, Benzyl Salicylate*, Geraniol*, Farnesol*, Linalool*, Benzyl Benzoate*.

*Naturally found in essential oils.

Contains probiotic extracts. Store in a cool, dark place.

Discovery Kit

The LaFlore® Discovery Set contains the complete LaFlore® 3-Step Kit plus Longevity Oil in travel-friendly, TSA-approved sizes.

LaFlore® products contain prebiotics, LIVE probiotics, and probiotic extracts to fortify the flora in the skin's microbiome and neutralize harmful bacteria.

Size: Enzymatic Cleanser - 0.5 oz. / 14g

Size: Live Probiotic Concentrated Serum - 0.5 oz. / 14g

Size: Daily Defense Moisturizer - 0.5 oz. / 14g

Size: Longevity Oil - 0.3 fl oz. / 9ml

KEY INGREDIENTS

Enzymatic Cleanser

Bifida Ferment Lysate (Probiotic Extract)

Helps firm and tighten skin, neutralize harmful bacteria and shelter skin from environmental aggressors.

Perilla Seed Oil (Japanese Mint)

Stimulates circulation, calms skin and delivers protective antioxidants.

Bromelain (Pineapple Extract)

Gently softens and exfoliates without disrupting the skin's barrier function.

Live Probiotic Concentrated Serum

Hansenula/Kloeckera/Lactobacillus/Lactococcus/Leuconostoc/Pediococcus/Saccharomyces (LIVE Probiotics)

An intensely bio-friendly probiotic cocktail that helps boost collagen and elastin production while calming, protecting and brightening the skin.

St. John's Wort Oil

Sourced directly from LaFlore®'s own organic growers and harvest-day shipped to preserve phytoactivity, this powerful and universally restorative herbal extract helps soothe all skin types.

Sea Buckthorn Oil

A plant extract containing high levels of beta carotene that helps correct breakouts and smooth fine lines and wrinkles.

Daily Defense Moisturizer

Bifida Ferment Lysate and Saccharomyces Lysate Extract (Probiotic Extracts)

Neutralize surface bacteria, reduce redness and help support collagen and elastin production.

Pycnogenol®

A potent antioxidant clinically proven to lower scar formation, reduce breakouts and increase collagen and elastin production.

Vitamin D3

Fortifies the skin's barrier function, smooths and firms the skin and helps reduce redness and surface irritation.

Longevity Oil

Turmeric

Contains antioxidants known to soothe and brighten the skin. Because of its astringent properties, the oil helps to tighten and tone, promote elasticity and clear acne-prone areas such as face, neck and back. Turmeric oil has also been known to help mend skin and even out areas with damage caused by overexposure to sunlight.

Longevity Concentrate

For all skin types - a soothing botanically rich moisturizing oil blend.

Longevity Concentrate is infused with a healing blend of soothing oils such as cold-pressed *Perilla frutescens* seed oil, coconut oil, avocado oil, along with immunity-boosting turmeric, which helps soothe, brighten, and fight breakouts; arnica, which aids in calming inflammation; and hibiscus, which support the reduction of dark spots as well as skin tone and texture.

Size: 1 fl. oz. / 30ml

KEY INGREDIENTS

Turmeric

Contains antioxidants known to soothe and brighten the skin. Because of its astringent properties, the oil helps to tighten and tone, promote elasticity and clear acne-prone areas such as face, neck and back. Turmeric oil has also been known to help mend skin and even out areas with damage caused by overexposure to sunlight.

Arnica

Can help calm inflammation and irritation.

Hibiscus

Helps tighten, reduce dark spots, even skin tone and fights free radicals.

INGREDIENTS

Olea Europaea (Olive) Fruit Oil, *Hypericum Perforatum* (St. John's Wort) Flower/Leaf/Stem Extract, *Perilla Frutescens* (Japanese Mint) Seed Oil, Tocopherol (Natural Vitamin E), *Solanum Lycopersicum* (Tomato) Seed Oil, *Cocos Nucifera* (Coconut) Oil, *Hippophae Rhamnoides* (Seabuckthorn) Fruit Extract, *Hibiscus Sabdariffa* (Roselle) Seed Oil, *Lactobacillus rhamnosus*, *Arnica Montana* Flower Extract, *Curcuma Longa* (Turmeric) Root Extract, *Origanum Vulgare* (Oregano) Oil, *Rosa Canina* (Rosehip) Seed Oil, *Persea Gratissima* (Avocado) Oil, *Butyrospermum Parkii* (Shea) Butter Extract, *Vaccinium Macrocarpon* (Cranberry) Seed Oil, *Illicium Verum* (Anise) Fruit/Seed Oil, *Lavandula Angustifolia* (Lavender) Oil, *Citrus Aurantium Bergamia* (Bergamot) Fruit Oil, *Cymbopogon Flexuosus* (Lemongrass) Oil, Lycopene, *Pelargonium Graveolens* (Geranium) Flower Oil, *Helianthus Annuus* (Sunflower) Seed Oil, Caprylic/Capric Triglyceride, Ethylhexylglycerin, Eugenol*, Citral*, Geraniol*, Limonene*, Linalool*

*Naturally found in essential oils.

Contains probiotic extracts. Store in a cool, dark place.

Live Probiotic Booster

For all skin types - delivers LIVE probiotics.

Formulated with numerous strains of beneficial bacteria to help balance and support the skin microbiome. Produces postbiotic metabolites that protect skin from viruses, pathogens, and harmful bacteria.

Use with LaFlore® Hydrating Masque or LaFlore® Enzymatic Cleanser.

Size: 1 fl. oz. / 30ml

KEY INGREDIENTS

Hansenula, Kloeckera, Lactobacillus, Lactococcus, Leuconostoc, Pediococcus, Saccharomyces (LIVE Probiotics)

An intensely microbiome friendly LIVE probiotic cocktail that helps boost collagen and elastin production while calming, protecting and brightening the skin by delivering postbiotics such as: PHA, AHA, BHA, vitamins, amino acids and more.

DIRECTIONS

See protocols for:

- Hydrating Facial
- LIVE Probiotic Biome Boost Masque Enhancement

- Sunburn Recovery Facial

INGREDIENTS

Aloe Barbadensis Gel, *Perilla Frutescens* (Japanese Mint) Seed Oil, Aqua (Water), Isododecane, Acrylates Copolymer, *Hansenula/Kloeckera/Lactobacillus/Lactococcus/Leuconostoc/Pediococcus/Saccharomyces*/Fig/Lemon Ferment, Tocopherol (Natural Vitamin E), *Bixa Orellana* Leaf Extract, *Jacaranda Mimosifolia* Flower Extract, *Kalanchoe Pinnata* Leaf Extract, Sorbitan Oleate, Sodium Phytate, Cellulose Gum, Chitosan, Sodium Hydroxide, Citric Acid, Deoxyribonuclease, Glucose Oxidase.

Contains LIVE probiotics. Store in a cool, dark place.

Enzyme Exfoliating Booster

For all skin types - bio-active fruit enzymes for gentle exfoliation.

Gently exfoliates and sloughs off dead skin cells using bio-active fruit enzymes to speed skin proliferation and cellular renewal, while increasing collagen and elastin production. Use with LaFlore® Hydrating Masque or Enzymatic Cleanser.

Size: 1 fl. oz. / 30ml

KEY INGREDIENTS

Pineapple Extract + Bromelain Powder

Natural enzyme combo that speeds up skin proliferation and makes room for new cells to flourish. Helps skin renewal process.

Papain Powder

Derived from papaya fruit, which is known for its exfoliating benefits. Contains radical-fighting flavonoids that protect against cellular aging.

INGREDIENTS

Aloe Barbadosis Gel, *Ananas Sativus* (Pineapple) Fruit Extract, *Perilla Frutescens* (Japanese Mint) Seed Oil, Polyglyceryl-6 Distearate, Aqua (Water), *Lactococcus* Ferment Lysate, Bromelain, Papain, *Hibiscus Sabdariffa* Flower Extract, Tocopherol (Natural Vitamin E), *Bixa Orellana* Leaf Extract, *Jacaranda Mimosifolia* Flower Extract, *Kalanchoe Pinnata* Leaf Extract, *Lactobacillus* Ferment, Glucose Oxidase, Deoxyribonuclease, Sodium Phytate.

Contains probiotic extracts. Store in a cool, dark place.

Eye Cream Complex

For all skin types - antioxidant rich eye brightening cream.

A powerful antioxidant-rich brightening cream. Anti-aging and anti-inflammatory blends of rejuvenating botanicals target visible dark circles to enhance radiance while eliminating discoloration, puffiness, and wrinkles.

Size: 1 fl. oz. / 30ml

KEY INGREDIENTS

Bellis Perennis (Daisy) Flower Extract

Activates vital processes which allow for the breakdown of heme, which is what contributes to dark circles under the eye. Also activates dermal draining through its ability to increase the production of VEGF-C. Excess fluids are drained away more efficiently.

Polianthes Tuberosa Callus Extract

Restimulates circulatory and tissue mechanisms. Tuberosa cells and betaine enable the area around the eyes to regain brightness and its original shape. Also enhances radiance, uniformity of skin color, promotes an elimination of toxins, and increases microcirculation in the skin.

Alpha Hesperidin

A bioflavonoid found as the active component of the citrus peel. Makes pores less visible. Rich in antioxidant and anti-inflammatory properties which leads to stimulation of circulation and promotes blood flow.

INGREDIENTS

Aloe Barbadenesis Gel, *Perilla Frutescens* (Japanese Mint) Seed Oil, Polyglyceryl-6 Distearate, *Simmondsia Chinensis* (Jojoba) Seed Oil, Potassium Cetyl Phosphate, *Hieracium Pilosella* (Hawkweed) Extract, *Oenothera Biennis* (Evening Primrose) Oil, *Theobroma Cacao* (Cocoa) Seed Butter, *Bellis Perennis* (Daisy) Flower Extract, Glycerin, Ethylhexylglycerin, *Rosa Canina* (Rosehip) Seed Oil, *Persea Gratissima* (Avocado) Oil, *Polianthes Tuberosa Callus* (White Tuberosa Flower) Extract, Glucosyl Hesperidin, Aqua (Water), Sodium Hyaluronate, *Saccharomyces* Lysate Extract, *Saccharomyces*/Copper Ferment, *Saccharomyces*/Iron Ferment, *Saccharomyces*/Magnesium Ferment, *Saccharomyces*/Silicon Ferment, *Saccharomyces*/Zinc Ferment, *Lactobacillus* Ferment, *Leuconostoc*/Radish Root Ferment Filtrate, *Camellia Sinensis* (Green Tea) Leaf Extract, Tocopherol (Natural Vitamin E), Xanthan Gum, Sodium Anisate, Sodium Phytate, *Cananga Odorata* (Ylang Ylang) Flower Oil, Benzyl Salicylate*, Geraniol*, Farnesol*, Linalool*, Benzyl Benzoate*.

*Naturally found in essential oils.

Contains probiotic extracts. Store in a cool, dark place.

Hydrating Masque

For all skin types - an ultra-hydrating aloe-based masque.

A rich anti-inflammatory masque that restores critical moisture levels and soothes stressed and dehydrated skin. Formulated with potent botanical antioxidants, B vitamins, and minerals to help skin instantly become supple. Leaves skin invigorated with the signature LaFlore® glow.

Size: 4 oz. / 113g

DIRECTIONS

See protocols for:

- Hydrating Facial
- LIVE Probiotic Biome Boost Masque Enhancement
- Probiotic Boost Facial - Signature
- Microbiome Reset Facial
- Sunburn Recovery Facial

KEY INGREDIENTS

Niacinamide (Vitamin B3)

Helps replenish, moisture, and increase epidermal barrier function

Bifida Ferment Lysate - (Probiotic Extract)

Physiological lysate from bifidobacterial. Prevents UV-induced damage by stimulation of the cellular, endogenous, enzymatic repair system. Stimulates DNA repair mechanism after UV irradiation.

Elderberry Juice Powder

Potent antioxidant. Elderberry fruit is rich in calcium, vitamin B2, vitamin B5, folate, iron, and magnesium. Helps boost collagen and peptide production.

Arnica Montana

Aids in healing bruises and inflammation. Rich in flavonoid glycosides, fatty acids, xanthophylls and essential oils.

INGREDIENTS

Aloe Barbadensis Gel, *Olea Europaea* (Olive) Fruit Oil, Aqua (Water), *Myrica Cerifera* (Bayberry) Fruit Wax, Glycerin, *Simmondsia Chinesnsis* (Jojoba) Seed Oil, *Bifida* Ferment Lysate, Caprylic/Capric Triglyceride, *Butyrospermum Parkii* (Shea) Butter, *Theobroma Cacao* (Cocoa) Seed Butter, Acrylates Copolymer, 1,2-Hexanediol, Ubiquinone, Hexapeptide-10, Niacinamide (Vitamin B3), Tocopherol (Natural Vitamin E), *Arnica Montana* Flower Extract, Sodium Hyaluronate, Tocopheryl Acetate, Squalane, *Sambucus Nigra* (Elderberry) Fruit Extract, *Bixa Orellana* Leaf Extract, *Jacaranda Mimosifolia* Flower Extract, *Kalanchoe Pinnata* Leaf Extract, Deoxyribonuclease, Glucose Oxidase, Sucrose Laurate, Cetyl Alcohol, Glycol Stearate, Glyceryl Stearate, Caprylyl Glycol, Sodium Phytate, Sodium Hydroxide, Sodium Stearoyl Lactylate, Sodium Acrylate/Sodium Acryloyldimethyl Taurate Copolymer.

Contains probiotic extracts. Store in a cool, dark place.

A close-up photograph of a woman in a white lab coat performing a procedure on a patient lying down. The woman is looking down at the patient with a focused expression. Her hands are positioned near the patient's neck and chest area. A bright, circular light source is visible on the left side of the frame, illuminating the scene. The background is blurred, showing what appears to be a clinical or laboratory setting with shelves and equipment.

PROTOCOLS

Treatment Selection

Verbal/Visual Analysis & Intake	Recommended Protocol	Targeted Modifications
Breakout & Enlarged Pores	Signature Facial	Use enzyme booster and probiotic booster to masque
Excess Oil & Enlarged Pores	Enzyme Facial	Add hydrating masque to treatment
Dehydration or Irritation	Hydrating Facial	
Dry Flaky or Damaged Skin Barrier	Microbiome Reset Facial	
Dullness or Uneven Tone	Enzyme Facial	Steam with second cleanse and/or add enzyme/hydrating masque treatment
Normal Skin	Signature Facial	
Sensitized or Concern Prone Skin	Hydrating Facial	
Fragile or Thin Skin	Microbiome Reset Facial	Protect fragile skin by reducing techniques that increase drag on the surface

LaFlore® Hydrating Facial

Step One: Pre-Cleanse LaFlore® Product: Enzymatic Cleanser	Dampen the skin with water or a steamed towel. Use 2-3 pumps of Enzymatic Cleanser and massage into face and neck. Remove cleanser using sponges, steam or cool towel or damp 4x4 wipes.
Step Two: Cleanse and Exfoliate LaFlore® Product: Enzymatic Cleanser	Combine 1 pump of Enzymatic Cleanser with an equal amount of water in a rubber bowl and whip with a fan brush until foamy. Apply to the face and neck and massage into the skin for 90 seconds. Apply a damp, warm towel to the face and massage along the jawline and under the cheekbones. Finish with forehead compressions and remove the cleanser from the face and neck.
Step Three: Masque LaFlore® Product: Hydrating Masque, Live Probiotic Booster	Add 1 tablespoon of Hydrating Masque and mix 1 full dropper of Live Probiotic Booster. Apply white layer of mixture to the face, neck and décolletage. Be sure to avoid the eye area. Let sit on skin for 10-15 minutes. When masque disappears (becomes clear) this is an indicator that the skin is dehydrated in those areas. Apply additional product to the skin, on the clear patches, through the duration of this step. Use a warm, damp towel to gently remove product from the face.
Step Four: Massage LaFlore® Product: Longevity Concentrate	Use 2-3 drops of Longevity Concentrate. Perform a 10 minute pressure point facial massage. Remove excess with a warm steamed towel or blot with tissue or 4x4 (for drier skin types/conditions)
Step Five: Moisturize LaFlore® Products: Daily Defense Moisturizer, Eye Cream Complex	Use 2 pumps of Daily Defense Moisturizer and evenly distribute onto the skin. Apply 1 drop of Eye Cream Complex to ring fingers, tap together and gently pat under the eyes.

Treatment Time - 45-60 Minutes

Disclaimer: Although our formulas are tested by dermatologists, discontinue use if irritation occurs. Do not use on open or broken skin.

Products used in this protocol:

Enzymatic Cleanser,
Hydrating Masque,
LIVE Probiotic Booster,
Longevity Concentrate,
Daily Defense Moisturizer,
Eye Cream Complex

LaFlore® LIVE Probiotic Biome Boost Masque Enhancement

Step One: Mix LaFlore® Product: Hydrating Masque, Live Probiotic Booster, Exfoliating Enzyme Booster	In a bowl mix 1 tablespoon of the Hydrating Masque. Add ½ full dropper of Live Probiotic Booster (about 5-6 drops) and ½ full dropper of Exfoliating Enzyme Booster (about 5-6 drops). Mix the masque and boosters with a brush until fully combined.
Step Two: Apply	Apply the masque and booster mix in an even “white” layer to the face, neck, and décolletage. *Be sure to avoid the eye area.
Step Three: Hydrate	Let sit on the skin for 15 minutes. When the masque disappears (becomes clear) prior to time frame this means the skin is dehydrated in those areas. Apply additional product to those areas.
Step Four: Remove	Use a warm, damp towel to gently remove the remaining masque.

Treatment Time - 15 Minutes

Disclaimer: Although our formulas are tested by dermatologists, discontinue use if irritation occurs. Do not use on open or broken skin.

Products used in this protocol:
Hydrating Masque,
Live Probiotic Booster,
Enzyme Exfoliating Booster

LaFlore® Enzyme Exfoliating Facial

Step One: Pre-Cleanse LaFlore® Product: Enzymatic Cleanser	Dampen the skin with water or a steamed towel. Use 2-3 pumps of Enzymatic Cleanser and massage into face and neck. Remove cleanser using sponges, steam or cool towel or damp 4x4 wipes.
Step Two: Cleanse and Exfoliate LaFlore® Product: Enzymatic Cleanser, Enzyme Exfoliating Booster	Mix 2-3 pumps of Enzymatic Cleanser and 1/2 to full dropper of Enzyme Exfoliating Booster. Apply to skin and leave on for 3 to 5 minutes. This will provide exfoliation without stripping the skin. Add water to finger tips and gently massage for 90 seconds before removing. Remove cleanser using sponges, steam or cool towel or damp 4x4 wipes.
Step Three: Massage LaFlore® Product: Longevity Concentrate	Use 2-3 drops of Longevity Concentrate. Perform a 10 minute pressure point facial massage. Remove excess with a warm steamed towel or blot with tissue or 4x4 (for drier skin types/conditions)
Step Four: Treat LaFlore® Product: Live Probiotic Serum, Eye Cream Complex	Use 1 pump of Live Probiotic Concentrated Serum, activate by rubbing in hands and press to evenly distribute onto the skin. Allow 1 minute for absorption. Apply 1 drop of Eye Cream Complex to ring fingers, tap together and gently massage under the eyes.
Step Five: Moisturize LaFlore® Product: Daily Defense Moisturizer	Use 2 pumps of Daily Defense Moisturizer and evenly distribute onto the skin.
Treatment Time - 20-30 Minutes	

Disclaimer: Although our formulas are tested by dermatologists, discontinue use if irritation occurs. Do not use on open or broken skin.

Enzymatic Cleanser,
Enzyme Exfoliating Booster,
Longevity Concentrate,
LIVE Probiotic Serum,
Eye Cream Complex,
Daily Defense Moisturizer

LaFlore® Signature Probiotic Facial

<p>Step One: Pre-Cleanse LaFlore® Product: Enzymatic Cleanser</p>	<p>Dampen the skin with water or a steamed towel. Use 2-3 pumps of Enzymatic Cleanser and massage into face and neck. Remove cleanser using sponges, steam or cool towel or damp 4x4 wipes.</p>
<p>Step Two: Cleanse LaFlore® Product: Enzymatic Cleanser</p>	<p>Combine 1 pump of Enzymatic Cleanser with an equal amount of water in a rubber bowl and whip with a fan brush until foamy. Apply to the face and neck and massage into the skin for 90 seconds. Apply a damp, warm towel to the face and massage along the jawline and under the cheekbones. Finish with forehead compressions and remove the cleanser from the face and neck.</p>
<p>Step Three: Masque LaFlore® Products: Hydrating Masque, Live Probiotic Booster</p>	<p>Mix 1 tablespoon of Hydrating Masque and 1 full dropper of Live Probiotic Booster. Apply a white layer of masque and booster mixture to the face, neck, and décolletage. Be sure to avoid the eye area. Let sit on skin for 10-15 minutes. When masque disappears (becomes clear) this is an indicator that the skin is dehydrated in those areas. Apply additional product to the skin, on the clear patches, through the duration of this step. Use a warm, damp towel to gently remove product from the face. Steam may be used for up to 5 minutes.</p>
<p>Step Four (Optional): Safe Haven Hand Treatment LaFlore® Products: Enzymatic Cleanser, Live Probiotic Concentrated Serum, Daily Defense Moisturizer</p>	<p>Apply 1 pump of Enzymatic Cleanser to the back of the client's hand and massage in until the cleanser begins to lose slip. Remove with a warm, moistened towel. Mix 1 pump of Live Probiotic Concentrated Serum with 1 pump of Daily Defense Moisturizer and massage onto the client's hand. Wrap the hand in a warm, dry towel and repeat steps on the client's other hand.</p>
<p>Step Five: Massage LaFlore® Products: Live Probiotic Concentrated Serum, Longevity Concentrate</p>	<p>Mix 1 pump of Live Probiotic Concentrated Serum with Longevity Concentrate and perform a relaxing 10-minute facial massage. This will help neutralize any remaining surface bacteria, reduce redness, and soothe residual inflammation. To remove, apply a damp, warm towel to the face and massage along the jawline and under the cheekbones. Finish with forehead compressions and remove any remaining massage cream from the face and neck.</p>
<p>Step Six: Moisturize LaFlore® Products: Daily Defense Moisturizer, Eye Cream Complex</p>	<p>Use 2 pumps of Daily Defense Moisturizer and evenly distribute onto the skin. Apply 1 drop of Eye Cream Complex to ring fingers, tap together and gently massage under the eyes.</p>

Treatment Time - 45-60 Minutes

Sunburn Recovery Facial

Step One: Pre-Cleanse LaFlore® Product: Enzymatic Cleanser	Dampen the skin with water. Use 2-3 pumps of Enzymatic Cleanser and massage into face and neck. Remove cleanser using sponges, cool towel or damp 4x4 wipes.
Step Two: Cleanse and Exfoliate LaFlore® Product: Enzymatic Cleanser	Combine 1 pump of Enzymatic Cleanser with an equal amount of water in a rubber bowl and whip with a fan brush until foamy. Apply to the face and neck and gently massage into the skin for up to 90 seconds. Apply a damp, lukewarm towel to the face and massage along the jawline and under the cheekbones. Finish with forehead compressions and remove the cleanser from the face and neck.
Step Three: Masque LaFlore® Product: Hydrating Masque, Live Probiotic Booster	Add 1 tablespoon of Hydrating Masque and 1 full dropper of Live Probiotic Booster and mix thoroughly. Apply thick white layer of mixture to the face, neck and décolletage. Be sure to avoid the eye area. Let sit on skin for 10-15 minutes. When masque disappears (becomes clear) this is an indicator that the skin is dehydrated in those areas. Apply additional product to the skin, on the clear patches, through the duration of this step. Use a lukewarm, damp towel to gently remove product from the face.
Step Four: Massage LaFlore® Product: Longevity Concentrate	Use a dropper worth of Longevity Concentrate. Perform a 10 minute facial massage. Remove excess with a warm towel or 4x4 (for drier skin types/conditions)
Step Five: Moisturize LaFlore® Products: Daily Defense Moisturizer, Eye Cream Complex	Use 2 pumps of Daily Defense Moisturizer and evenly distribute onto the skin. Apply 1 drop of Eye Cream Complex to ring fingers, tap together and gently pat under the eyes and massage in. Pro Tip: For extra hydration add 2-3 drops of Longevity Concentrate to the moisturizer before applying.

Treatment Time - 45-60 Minutes

A photograph of two young women sitting at a light-colored wooden table. The woman on the left has curly brown hair and is wearing a light blue tank top. The woman on the right has long, straight brown hair and is wearing a white sleeveless top with a long necklace. They are both smiling and looking towards the camera. In the foreground, a hand is holding a gold credit card over a clipboard with a document. A white rectangular box with a thin black border is centered over the image, containing the word 'MARKETING' in a simple, uppercase, sans-serif font.

MARKETING

Launch Plan

- Set up your your retail space. (Consult the provided planogram for ideas)
- Update your menu
- Always suggest a Discovery Kit to continue treatment after a Microbiome Reset Facial.
- If the client doesn't want to change their entire regimen suggest adding LaFlore's Concentrated Live Probiotic Serum to what they are doing now.
- Provide a ritual card with all Discovery Kit purchases.
- Place brochures in your lounge area.
- If you have shelf space include a shelf talker to promote the benefits of LaFlore.
- Encourage your reception staff to attend the LaFlore free staff training.
