Protocol:

CONTRAINDICATIONS: • Open or broken skin • Discontinue use if irritation occurs

<p>STEP ONE: PRE-CLEANSE</p> <p>LaFlore® Product:</p> <ul style="list-style-type: none"> • Enzymatic Cleanser 	<p>Dampen the skin with water or a steamed towel. Use 2-3 pumps of Enzymatic Cleanser & massage into face and neck.</p> <p>Remove cleanser using sponges, steam or cool towel or damp 4x4 wipes.</p>
<p>STEP TWO: CLEANSE</p> <p>LaFlore® Product:</p> <ul style="list-style-type: none"> • Enzymatic Cleanser 	<p>Combine 1 pump of Enzymatic Cleanser with an equal amount of water in a rubber bowl & whip with a fan brush until foamy. Apply to the face & neck and massage into the skin for 90 seconds. Apply a damp, warm towel to the face & massage along the jawline & under the cheekbones.</p> <p>Finish with forehead compressions & remove the cleanser from the face and neck.</p>
<p>STEP THREE: MASQUE</p> <p>LaFlore® Products:</p> <ul style="list-style-type: none"> • Hydrating Masque • Live Probiotic Booster 	<p>Add 1 tablespoon of Hydrating Masque & mix 1 full dropper of Live Probiotic Booster. Apply a white layer of masque & booster mixture to the face, neck, & décolletage. Be sure to avoid the eye area. Let sit on skin for 10-15 minutes.</p> <p>When masque disappears (becomes clear) this is an indicator that the skin is dehydrated in those areas. Apply additional product to the skin, on the clear patches, through the duration of this step. Use a warm, damp towel to gently remove product from the face. Steam may be used for up to 5 minutes.</p>
<p>STEP FOUR: SAFE HAVEN HAND TREATMENT</p> <p>LaFlore® Products:</p> <ul style="list-style-type: none"> • Enzymatic Cleanser • Live Probiotic Concentrated Serum • Daily Defense Moisturizer 	<p>Apply 1 pump of Enzymatic Cleanser to the back of the client's hand & massage in until the cleanser begins to lose slip. Remove with a warm, moistened towel.</p> <p>Mix 1 pump of Live Probiotic Concentrated Serum with 1 pump of Daily Defense Moisturizer & massage onto the client's hand. Wrap the hand in a warm, dry towel & repeat steps on the client's other hand.</p>
<p>STEP FIVE: MASSAGE</p> <p>LaFlore® Products:</p> <ul style="list-style-type: none"> • Live Probiotic Concentrated Serum • Longevity Concentrate 	<p>Mix 1 pump of Live Probiotic Concentrated Serum with Longevity Concentrate and perform a relaxing 10-minute facial massage. This will help neutralize any remaining surface bacteria, reduce redness, & soothe residual inflammation.</p> <p>To remove, apply a damp, warm towel to the face and massage along the jawline and under the cheekbones. Finish with forehead compressions & remove any remaining massage cream from the face & neck.</p>
<p>STEP SIX: MOISTURIZE</p> <p>LaFlore® Products:</p> <ul style="list-style-type: none"> • Daily Defense Moisturizer • Eye Cream Complex 	<p>Use 2 pumps of Daily Defense Moisturizer & evenly distribute onto the skin.</p> <p>Apply 1 drop of Eye Cream Complex to ring fingers, tap together & gently massage under the eyes.</p>
