

EXTERNAL TACTICAL

Our **External Tactical Carrier** provides comprehensive ballistic protection to ensure the wearer is safe when they need it the most. Adjustable shoulder and side closures for a simple setup is easy to put on and remove while remaining stable and snug against your body under all conditions. It also features our adjustable cummerbund with comfort stretch, allowing the user to breathe and move more efficiently. Can be outfitted to accept armor plates for Law Enforcement who require extra protection for their jobs.
