XTK 130

Multimedia keyboard

Feature

Key number: 107/108 keys

Power, sleep, wake up

Stylish and contoured design

Laser printing keycaps for longer wear slim design

Electrical specifications

Maximum rating: +5.0VDC +/- 10%, 200mA maximum

Contact resistance: 500Ohm maximum

Insulation resistance: DC100V 50M Ohm minimum

Directivity: Omnidirectional

Operation voltage: 0.4mV

Environmental operating conditions

Operating temperature: 0°C ~ 50°C

Storage temperature: -20°C ~ +/-60°C

Humidity: 80%RH ~ 95%RH
