# Azuna makes air smell like air again.

## Natural Ingredients

Our air fresheners are crafted with ingredients sourced from the heart of nature. We use 100% Australian tea tree oil and plant extracts to create captivating scents that refresh your space naturally.

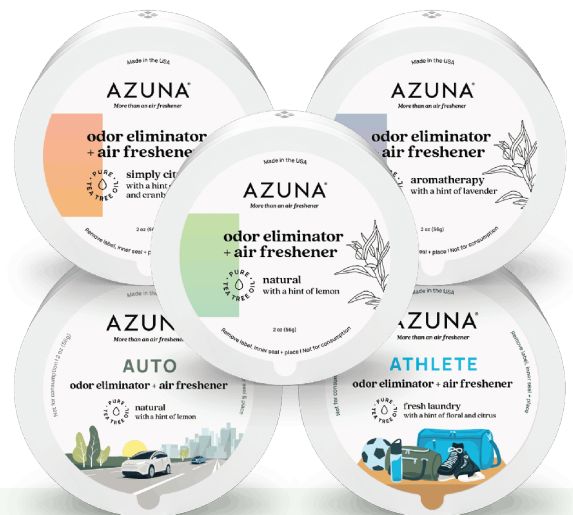

## Healthier Indoor Air

Breathe easy with our odor neutralizing products for home, on-the-go and everywhere in between. They don't release harmful chemicals into your home — helping to improve your indoor air quality, all while neutralizing odors at their source.

## Long Lasting Freshness

Azuna's odor neutralizing solutions offer long-lasting freshness. Experience continuous, subtle scents — making your air smell like air again for up to 90 days.

# The power of tea tree oil

Tea tree oil is an essential oil with well known and documented antibacterial, antifungal, antimicrobial and antiseptic properties. It has proven to be very beneficial in many medical, wellness and household applications.

Tea tree oil is the active ingredient in all Azuna formulas. Azuna gels work by releasing tea tree oil particles into the air through evaporation and diffusion. These particles help to neutralize airborne odors caused by bacteria, mold, mildew and other microbes — eliminating odors at their source. Our sprays extend that odor-neutralizing power to surfaces like upholstery, countertops, sneakers and more.

# Azuna Odor Eliminator + Air Freshener gel pouches

Azuna gels are where it all began. Our tea tree oil-based gels naturally clean and neutralize the air in your home and on-the-go from odors. They come in both 12-and 24-ounce refill pouches so you can reuse and refill your Azuna jars time after time — for continuous and convenient air neutralizing power that will leave your air smelling like air again.

# Azuna Odor Eliminator + Surface Cleaning Concentrate

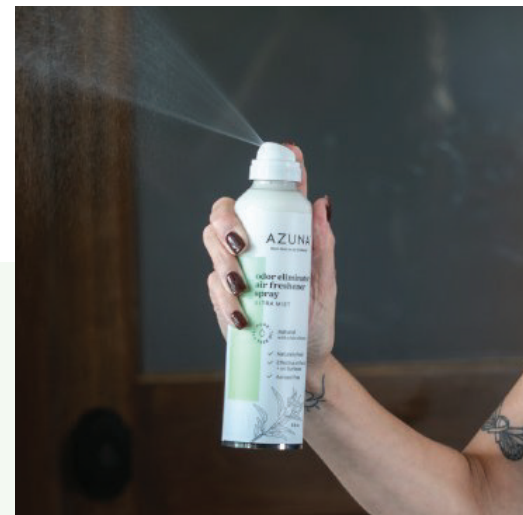

Our naturally powerful concentrate neutralizes odors on surfaces and in the air — wherever you need a refresh. From smelly sneakers and couch cushions to sports equipment and countertops, one 8-ounce bottle of concentrate mixes with water to create 32 ounces of plant-based odor eliminating and deep cleaning power. Just pour, mix & spray with Azuna's Reusable Glass Spray Bottle to refresh your home, naturally.

# Azuna Odor Eliminator + Air Freshener Ultra Mist Spray

Azuna's powerful tea tree oil-based spray formula also comes in an easy-to-use, single-use spray dispenser. Ultra Mist works like an aerosol but is powered by clean air, not harmful chemicals that pollute the planet. The best part? From the first press to the last spray, continuous pressure allows for a steady flow of spray. Use it sideways or upside down — it'll keep spraying!

# Azuna Jars & Bottles

## Azuna Reusable Luxe Glass Jars

Beautiful. Reusable. Sustainable. Our 8-ounce reusable glass jars are made of durable, lead-free and partially-recycled glass. The frosted glass and wood lid delivers a sustainably stylish look to complement any home or living space with zero plastic waste.

## Azuna Reuseable Glass Spray Bottle

Pour. Mix. Spray. Our reusable glass bottles are durable, lead-free and made of partially-recycled glass to use with our Odor Eliminator + Surface Cleaning Concentrates. Just pour, mix and spray to breathe easier.
